

Micro E-mini Futures Surpass 1 Million Contracts Traded

May 8, 2019

CHICAGO, May 8, 2019 /PRNewswire/ -- CME Group, the world's leading and most diverse derivatives marketplace, today announced that Micro E-mini equity index futures volume has surpassed 1 million contracts in less than three full days of trading. This total cumulative volume represents trading across all four indexes – S&P 500, Nasdaq-100, Russell 2000 and Dow Jones Industrial Average – making Micro E-mini futures the most successful product launch ever at CME Group.

Micro E-mini equity index futures are one-tenth the size of CME Group's existing E-mini equity index futures, and offer traders of all sizes a simple, flexible way to access the equity index futures markets.

Micro E-mini equity index futures are listed by and subject to the rules of CME and CBOT. For more information, please visit cmegroup.com/microeminis.
