**Explanation of Responses:**

1. Represents the closing price for our Class A common stock on October 12, 2009. On October 12, 2009, Henning and Carey Proprietary Trading L.L.C. of which Mr. Niciforo is a general partner purchased a CME membership along with the associated share of Class B-1 common stock. The Class B common stock of CME Group Inc. is not listed on a national securities exchange or traded in an organized over-the-counter market. Each class of the Class B common stock is associated with a membership in a specific division of the exchange. We assume that because the Class B shares have the same equitable interest in our earnings and the same dividend payments as our Class A shares, that if reported separately from the associated trading rights, they would have the same market price as our Class A common stock.

We assume that because the Class B shares have the same equitable interest in our earnings and the same dividend payments as our Class A shares, that if reported separately from the associated trading rights, they would have the same market price as our Class A common stock.
