Item 1.01. Entry into a Material Definitive Agreement.

On September 20, 2006, NYMEX Holdings, Inc. ("NYMEX") along with its exchange subsidiaries entered into a Transaction Agreement (the "Transaction Agreement") with the Governors Committee of Commodity Exchange, Inc. (the "COMEX Division") in which the trading rights and protections that are currently afforded to the members of the COMEX Division will be terminated, and in exchange, the owners of COMEX Division memberships will receive new trading rights and protections and 8,400 shares of NYMEX common stock. Completion of the transaction will entitle the Exchange to list all COMEX Division contracts and new metals contracts electronically for overnight and side-by-side trading. In addition, metals contracts may be listed for clearing on the NYMEX ClearPort® platform. New York Mercantile Exchange, Inc. will also have the right to make electronic trading privileges available to third parties to trade COMEX Division products. As part of the transaction, the current COMEX Division By-Laws will be amended to reflect these changes as well as to grant certain trading rights protections relating primarily to member rates and fees and the continued support of open-outcry trading and benefits. The termination of the existing trading rights and protections, the establishment of new trading rights and protections and the issuance of shares of NYMEX Common Stock to owners of COMEX Division memberships are collectively referred to herein as the "Transaction."

The Transaction is expected to close (the "Closing") in the fourth quarter of 2006. The Closing of the Transaction is subject to certain conditions, including: (i) the approval by NYMEX's stockholders of the amendment to NYMEX's certificate of incorporation to increase the number of shares of authorized stock and designate shares of Series B-1, B-2 and B-3 Common Stock and the adoption of such amendment, (ii) the approval by the owners of COMEX Division memberships of the Transaction Agreement and the Amended and Restated COMEX Division By-Laws, (iii) certain governmental approvals, including the effectiveness of a Registration Statement on Form S-1 of NYMEX to register the shares of NYMEX common stock to be issued to owners of COMEX Division memberships and (iv) other customary closing conditions.

The foregoing is a summary of the terms of the Transaction Agreement and is qualified in its entirety by reference to the Transaction Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

Item 8.01. Other Events

(g) From and after the Closing until delivery of the Delayed Delivery Shares is made pursuant to this Section 4, in the event of a merger, consolidation or other business combination involving NYMEX Holdings or a sale of substantially all of its assets (a “**Future Merger**”), each Closing COMEX Owner (or such Closing COMEX Owner’s permitted assigns, as applicable, and other than Closing COMEX Owners who made an Early Delivery Election pursuant to Section 5 below to the extent that the Early Delivery Shares subject thereto have previously been delivered) shall receive, immediately prior to consummation of the Future Merger, a number of shares of Non-Series A/B Common Stock equal to the number of Delayed Delivery Shares that have not yet been delivered pursuant to this Section 4, in lieu of such Delayed Delivery Shares that have not yet been delivered, in respect of each COMEX Membership owned by such Closing COMEX Owner as of the Measurement Time in book-entry only form.

(h) From and after the Closing until delivery is made pursuant to this Section 4 of (i) the Delayed Delivery Shares or (ii) any Early Delivery Shares pursuant to a January Delivery Election which were not delivered on the Closing Date, COMEX Owners may not sell, transfer, pledge or otherwise dispose of their interest in the right to receive Delayed Delivery Shares or Early Delivery Shares which have not yet been delivered, or any attribute thereof, except as a package with the COMEX Membership in respect of which they are entitled to receive such Transaction Shares, in accordance with Section 9(l).

(i) Notwithstanding anything to the contrary set forth in this Agreement, NYMEX Holdings shall not deliver any Transaction Shares to a Closing COMEX Owner (or such Closing COMEX Owner’s permitted assigns, as applicable) unless and until the applicable recipient of such Transaction Shares has delivered a properly completed Substitute Form W-9 (substantially in the form as provided in Early Delivery Form of Election) to NYMEX Holdings at its principal executive office. NYMEX Holdings shall provide a Substitute Form W-9 to a COMEX Owner promptly upon request. The reasonable, good faith determination of NYMEX Holdings shall be binding as to whether or not Substitute Form W-9 has been properly completed and delivered by a recipient of Transaction Shares. If NYMEX determines that any Substitute Form W-9 was not properly completed or delivered, NYMEX Holdings shall make a good faith effort to promptly notify the applicable recipient of such determination.

Section 5. Early Delivery Election.

(a) Upon the terms set forth in this Section 5, each Closing COMEX Owner shall be entitled, with respect to all, but not less than all, of the Transaction Shares to which such Closing COMEX Owner is entitled pursuant to Section 3(c) and Section 4, to make an unconditional election, on or prior to the Election Date, to receive on either the Closing Date or the January Delivery Date, 2,800 shares of Series B-1 Common Stock, 2,800 shares of Series B-2 Common Stock and 2,800 shares of Series B-3 Common Stock in respect of each COMEX Membership owned by such Closing COMEX Owner as of the Measurement Time (all such shares “**Early Delivery Shares**”).

(b) (i) NYMEX shall prepare and cause COMEX to mail to the COMEX Owners a form of election (the “**Early Delivery Form of Election**”), in a form reasonably agreed to among the parties, together with the COMEX Proxy Statement and the prospectus included in the COMEX Transaction S-1. The Early Delivery Form of Election may be used by each COMEX Owner to designate such COMEX Owner’s election to receive all, but not less than all, of the Transaction Shares in the form of Early Delivery Shares, in the manner set forth in Section 5(a) hereof. Any such COMEX Owner’s election to receive such Early Delivery Shares shall be deemed to have been properly made only if NYMEX shall have received at its principal executive office, not later than 5:00 p.m., New York City time on that date that is three (3) Business Days before the scheduled date of the COMEX Owners’ Meeting, as set forth in the COMEX Proxy Statement (the “**Election Date**”), an Early Delivery Form of Election that specifies that such COMEX Owner elects to receive Early Delivery Shares. A COMEX Owner who fails to deliver an Early Delivery Form of Election by such time shall have no further right to receive Early Delivery Shares and shall receive the Delayed Delivery Shares in the manner set forth in Section 4 in respect of each COMEX Membership owned by such COMEX Owner as of the Measurement Time.

(ii) An Early Delivery Election may be revoked by any COMEX Owner only by written notice received by NYMEX prior to 5:00 p.m., New York City time, on the Election Date, after which time such election shall become binding and irrevocable.

(iii) The reasonable, good faith determination of NYMEX shall be binding as to whether or not an Early Delivery Election has been properly made or revoked. If NYMEX determines that any Early Delivery Election was not properly made, the COMEX Owner making such deficient election will receive Delayed Delivery Shares in respect of each COMEX Membership owned by such COMEX Owner as of the Measurement Time. NYMEX may make, and in such event will provide prompt written disclosure to the COMEX Owners of, such rules as are consistent with this Section 5(b)(iii) for the implementation of elections provided for herein as shall be reasonably necessary or desirable to fully effect such elections.

(iv) A valid Early Delivery Election made and not properly revoked as provided in Section 5(b)(ii) shall be binding upon all subsequent owners of the COMEX Membership in respect of which such election was made.

(v) Each COMEX Owner, as a condition to making an Early Delivery Election, shall be required to acknowledge that the Series B-1 Common Stock, Series B-2 Common Stock and Series B-3 Common Stock are subject to the terms and transfer restrictions set forth in the NYMEX Holdings Charter Amendment in the manner set forth on the Early Delivery Form of Election.

Subject to Section 12(l) and the NYMEX Stockholder Approval, this Agreement is a legal, valid and binding agreement of each of NYMEX and NYMEX Holdings, enforceable against each of NYMEX and NYMEX Holdings in accordance with its terms, except (i) to the extent that enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other laws affecting the enforcement of creditors' rights generally, and (ii) that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding therefor may be brought.

(c) No Conflicts; Required Filings and Consents.

(i) Subject to the NYMEX Stockholder Approval and all necessary approvals from the SEC, the execution, delivery and performance of this Agreement and the consummation of the Transaction will not (A) result in a violation of the organizational documents of either NYMEX or NYMEX Holdings, (B) other than with respect to the provisions related to the termination of the Merger Agreement contained in Section 3(a), conflict with or result in the breach of the terms of or constitute a default (or an event which with notice or lapse of time or both would become a default) under any agreement, lease, mortgage, license, indenture, instrument or other contract to which either NYMEX or NYMEX Holdings is a party or by which their respective property is bound or affected, or (C) result in a violation of any law, rule, regulation, order, judgment or decree of any Governmental Entity applicable to either NYMEX or NYMEX Holdings or by which any property or asset of either NYMEX or NYMEX Holdings is bound or affected, except, with respect to clauses (B) and (C) above, for any violation, conflict, breach or default that, individually or in the aggregate, would not reasonably be expected to have a NYMEX Material Adverse Effect.

(ii) The execution and delivery by NYMEX and NYMEX Holdings of this Agreement does not, and the performance of each of their respective obligations hereunder will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Entity, except for (A) the filing with the SEC of the COMEX Transaction S-1 and the prospectus included therein and the declaration of effectiveness of such registration statement, (B) applicable requirements, if any, of the Exchange Act, (C) the filing with the SEC of a proxy statement relating to the NYMEX Holdings Charter Amendment (as amended or supplemented from time to time, the “**NYMEX Proxy Statement**”), and except to the extent that the failure to obtain any such consent, approval, authorization or permit or make such filing or notification would not, individually or in the aggregate, reasonably be expected to have a NYMEX Material Adverse Effect.

(i) The Governors Committee has evaluated the subject matter of this Agreement, actively negotiated the terms of this Agreement on behalf of the COMEX Members for their approval, and reviewed this Agreement with and otherwise negotiated through, consulted with and was represented by experienced, independent legal counsel retained by the Governors Committee throughout such negotiations.

(ii) The Governors Committee has determined that this Agreement is in the best interests of the COMEX Members, has resolved to recommend to the COMEX Owners the approval of this Agreement and the Transaction and has authorized its Chairman to execute this Agreement on behalf of the Governors Committee.

Section 9. Additional Agreements.

(a) Preparation of the NYMEX Proxy Statement and COMEX Transaction S-1. As soon as reasonably practicable following the date of this Agreement, NYMEX Holdings shall prepare and file with the SEC (i) the NYMEX Proxy Statement, which shall include a proposal related to the approval of an amendment to the NYMEX Holdings Charter to increase the number of authorized shares and designate Series B-1 Common Stock, Series B-2 Common Stock and Series B-3 Common Stock (the "**NYMEX Holdings Charter Amendment**"), and (ii) a Registration Statement on Form S-1 relating to NYMEX Holdings' offer of the Transaction Shares (the "**COMEX Transaction S-1**").

(b) No Offer Prior to Filing of the COMEX Transaction S-1. For the avoidance of doubt, the offer of the Transaction Shares has not been made and will not be made to the COMEX Owners prior to the filing of the COMEX Transaction S-1.

(c) NYMEX Stockholders' Meeting. As soon as reasonably practicable after the date that the NYMEX Proxy Statement is cleared by the SEC and the COMEX Transaction S-1 is effective, NYMEX shall, in accordance with the DGCL and other applicable law and the NYMEX Holdings Charter and the Bylaws of NYMEX Holdings, mail the NYMEX Proxy Statement to NYMEX Stockholders and establish a record date for, duly call, give notice of, convene and hold a meeting of the NYMEX Stockholders (including any adjournment or postponement, the "**NYMEX Stockholders' Meeting**"); provided, however, that the date of such NYMEX Stockholders' Meeting shall occur on or before the date of the COMEX Owners' Meeting. The parties hereby affirmatively acknowledge that the NYMEX Stockholders’ Meeting may be a special meeting of the NYMEX Stockholders separate from the special meeting of the NYMEX Stockholders at which the NYMEX Stockholders will vote on the proposals related to an IPO.

(d) COMEX MRRP. Rights under the Recognition and Retention Plan for Members of Commodity Exchange, Inc., a copy of which is attached hereto as Exhibit D, shall remain enforceable and unaffected by this Agreement and the consummation of the Transaction.

(e) COMEX Owners’ Meeting. COMEX shall, in accordance with the Not-For-Profit Corporation Law of the State of New York (the “**NPCL**”) and other applicable law and the certificate of incorporation and By-Laws of COMEX, prepare a proxy statement for purposes of soliciting COMEX Owner Approval (the “**COMEX Proxy Statement**”) and, as soon as reasonably practicable after the COMEX Transaction S-1 is declared effective under the Securities Act, shall mail the COMEX Proxy Statement and the prospectus included in the COMEX Transaction S-1 to COMEX Owners and shall establish a record date for, duly call, give notice of, convene and hold a meeting of the COMEX Owners (including any adjournment or postponement, the “**COMEX Owners’ Meeting**”), for the purpose of (i) approving this Agreement and the Transaction, including the Amended COMEX By-Laws and (ii) authorizing the Governors Committee to act on behalf of the COMEX Members with respect to any actions set forth in Section 10 or Section 11 and making the Governors Committee’s exercise of discretion under such provisions actionable by COMEX Members only in the event of bad faith by the Governors Committee, each by the affirmative vote of the record owners of at least 66 ²/₃% of the COMEX Memberships present in person or by proxy at a meeting in which a quorum, consisting of owners of not less than 150 of the outstanding COMEX Memberships, is present in person or by proxy (the “**COMEX Owner Approval**”).

(f) Section 360 of the COMEX By-Laws. COMEX hereby acknowledges that the provisions of Section 360 of the By-Laws of COMEX applicable as of the date of this Agreement (“**Section 360**”) will apply to any and all Actions to which any member of the Governors Committee may be made or are threatened to be made a party in connection with, arising out of, or related to the negotiation, execution or implementation of this Agreement, including the exercise of any right or obligation granted to or required of the Governors Committee or the members thereof pursuant to this Agreement, including the rights and obligations granted under Section 9(e) and the consummation of the Transaction. In addition, COMEX will, upon tender of an invoice, pay, to the maximum extent provided by law, the reasonable expenses (including reasonable attorney’s fees and costs of counsel selected by COMEX and reasonably satisfactory to such member of the Governors Committee, except that

COMEX may not exercise this right if COMEX, NYMEX Holdings or NYMEX is the adverse party in the claim against such Person) of defending any Action against such Person as to which this Section 9(f) applies, pursuant to the requirements of NPCL Sections 723(c) and 725(a). Unless required to do so in order to comply with applicable law, COMEX will not take any action under NPCL Section 725(b)(2), as such section exists on the date of this Agreement, with respect to the members of the Governors Committee, which is inconsistent with this paragraph.

(g) Governors Committee Recommendation. The Governors Committee shall:

(i) communicate to the COMEX Members the fact that it (A) has evaluated the subject matter of this Agreement, (B) actively negotiated the terms of this Agreement on behalf of the COMEX Members for their approval and (C) reviewed this Agreement with and otherwise negotiated through, consulted with and was represented by experienced, independent legal counsel retained by the Governors Committee throughout such negotiations;

(ii) until the COMEX Owners' Meeting, unless the Governors Committee determines in its reasonable judgment that any of the conditions contained in Section 10(a) or Section 10(b) are not reasonably likely to be satisfied or that in light of all of the facts then known to the Governors Committee that approval of the Transaction is not in the best interests of the COMEX Members,

(A) recommend to the COMEX Owners the approval and adoption of this Agreement and the Transaction; and

(B) cooperate with the NYMEX Parties in the following manner in connection with the process of obtaining the COMEX Owner Approval:

- (1) Representatives of the Governors Committee shall prepare a presentation with the NYMEX Parties related to the Transaction and the terms of this Agreement which presentation reflects the views of the Governors Committee and the reasons (in their own judgment) why the Governors Committee supports approval of this Agreement and the Transaction (the "**COMEX Member Presentation**");
- (2) Representatives of the Governors Committee shall participate in presenting the COMEX Member Presentation to the COMEX Members and discuss with the COMEX Members their views and the reasons (in their own judgment) why the Governors Committee supports approval of this Agreement and the Transaction;

- (3) To the extent any of the COMEX Owners contact members of the Governors Committee to discuss this Agreement or the Transaction, such members shall discuss their views and the reasons why the Governors Committee (in their own judgment) supports approval of this Agreement and the Transaction; and
- (4) Representatives of the Governors Committee shall attend the COMEX Owners' Meeting to be available to discuss their views and the reasons (in their own judgment) why the Governors Committee supports approval of this Agreement and the Transaction.

(h) Amended COMEX By-Laws. At the Closing, COMEX shall adopt the Amended and Restated By-Laws of COMEX in substantially the form attached hereto as Exhibit E, as amended in the manner necessary to obtain the consents set forth on Exhibit A (the "**Amended COMEX By-Laws**").

(i) NYMEX Holdings Charter Amendment. At the Closing, (i) if NYMEX Holdings has not consummated an IPO, NYMEX Holdings shall file the NYMEX Holdings Charter Amendment substantially in the form attached hereto as Exhibit B and (ii) if NYMEX Holdings has consummated an IPO, NYMEX Holdings shall file the NYMEX Holdings Charter Amendment, substantially in the form attached hereto as Exhibit C, in either case executed in accordance with the applicable provisions of the DGCL, with the Secretary of State of the State of Delaware.

(j) Future Merger. From and after the Closing Date, in the event of a Future Merger, such Future Merger shall not affect or otherwise modify the obligations of NYMEX and NYMEX Holdings or the rights of COMEX Owners hereunder, and any successor in interest to or surviving entity in such Future Merger shall succeed to all of the rights and obligations of NYMEX and NYMEX Holdings under this Agreement.

(k) Payments With Respect to Undistributed Shares of NYMEX Holdings Common Stock.

(i) No dividends or other distributions with respect to NYMEX Holdings Common Stock with a record date after the date of this Agreement shall be paid to any COMEX Owner with respect to the shares of NYMEX Holdings Common Stock that such COMEX Owner has the right to receive pursuant to this Agreement until such COMEX Owner shall have received such shares in accordance with Section 4 or Section 5, as the case may be. Subject to Section 9(k)(ii), following the delivery of any such shares of NYMEX Holdings Common Stock, (A) NYMEX Holdings shall promptly pay to the COMEX Owner receiving such shares, without interest, a *pro rata* share equal to the amount of any dividends or other distributions with a record date after the date of this Agreement theretofore paid with respect to shares of NYMEX Holdings Common Stock

that would have been paid with respect to such shares of NYMEX Holdings Common Stock if they had been outstanding as of the record date of each such dividend or other distribution, and (B) with respect to any dividends or other distributions with a record date after the date of this Agreement which remain unpaid with respect to shares of NYMEX Holdings Common Stock as of the time of delivery of such shares (“**Unpaid Dividends**”), NYMEX Holdings shall pay, on the payment date of such Unpaid Dividends, to the COMEX Owner receiving such shares of NYMEX Holdings Common Stock, without interest, a *pro rata* share equal to the amount of the Unpaid Dividends that would have been paid with respect to such shares if they had been outstanding as of the record date of each such Unpaid Dividend.

(ii) Notwithstanding anything to the contrary set forth in this Agreement, COMEX Owners shall not be entitled to be paid any amount pursuant to Section 9(k)(i) in respect of any cash dividends or other cash distributions paid with respect to NYMEX Holdings Common Stock with a record date after the date of this Agreement and prior to the consummation of an IPO (“**Pre-IPO Dividends**”) unless and until the amount of such Pre-IPO Dividends exceeds, in the aggregate, \$80 million; in which case, COMEX Owners shall only be entitled to receive an amount in cash equal to what would have been their *pro rata* share (taking into account all outstanding shares of NYMEX Holdings Common Stock as set forth in Section 6(d) and any Early Delivery Shares or Delayed Delivery Shares not yet delivered) of the amount of Pre-IPO Dividends which exceed, in the aggregate, \$80 million.

(l) Trading. The parties agree that from and after the Closing:

(i) if member firms of COMEX are required to own a certain number of shares of NYMEX Holdings Common Stock in addition to the ownership of the requisite trading rights, COMEX Owners may trade their COMEX Memberships as a package with (x) the shares of NYMEX Holdings Common Stock issued prior to such trade pursuant to this Agreement and (y) the right to receive Early Delivery Shares or Delayed Delivery Shares, if any, in each case in respect of the COMEX Membership to be so transferred, on the same type of platform used by owners of Class A Memberships of NYMEX to trade their memberships together with their shares NYMEX Holdings Common Stock; and

(ii) as long as any shares of Series B Common Stock remain issued and outstanding, COMEX Owners may trade the shares of NYMEX Holdings Common Stock issued prior to such trade pursuant to this Agreement separately from the COMEX Membership in respect of which such shares were issued, on the same type of platform (and subject to the same procedures) used by owners of Series A Common Stock to trade their shares of such stock separately from Class A Memberships of NYMEX.

(m) Subsequent Registrations.

(i) Participation Right. Commencing after the IPO, if NYMEX Holdings offers any holders of NYMEX Holdings Common Stock (other than General Atlantic Partners 82, L.P. and its Affiliates and their subsequent permitted assigns) issued

prior to the Closing Date (“**Pre-Closing NYMEX Holders**”) with the opportunity to include all or part of their shares of NYMEX Holdings Common Stock in a registration statement to be filed with the SEC under the Securities Act (a “**Resale Registration**”), then NYMEX Holdings shall provide the Closing COMEX Owners (or their assigns) with the opportunity to include their shares of NYMEX Holdings Common Stock that are of the series analogous to the Series A Common Stock (e.g., Series B-1 Common Stock is analogous to Series A-1 Common Stock, etc.) to be included by Pre-Closing NYMEX Holders and issued pursuant to this Agreement (other than Early Delivery Shares or Delayed Delivery Shares which have not yet been delivered) in the Resale Registration upon the same terms and subject to the same conditions as the Pre-Closing NYMEX Holders. To the extent that the number of shares of NYMEX Holdings Common Stock to be included in a Resale Registration is to be limited in any respect, the Pre-Closing NYMEX Holders and the Closing COMEX Owners shall be entitled to include shares on a *pro rata* basis based on the number of shares eligible and requested to be registered of each series of common stock by the Pre-Closing NYMEX Holders and the Closing COMEX Owners.

(ii) Inclusion in IPO. Notwithstanding anything to the contrary set forth in this Agreement, in the event that the Closing Date is no less than 30 days prior to the effective date of the Registration Statement on Form S-1 filed in respect of the IPO (the “**IPO Registration**”) and the Pre-Closing NYMEX Holders are offered the opportunity to include all or part of their shares of NYMEX Holdings Common Stock therein, NYMEX shall provide the Closing COMEX Owners with the opportunity to include their shares of NYMEX Holdings Common Stock that are of the series analogous to the Series A Common Stock to be included by Pre-Closing NYMEX Holders and issued pursuant to this Agreement (other than Early Delivery Shares or Delayed Delivery Shares which have not yet been delivered) in the IPO Registration upon the same terms and subject to the same conditions as the Pre-Closing NYMEX Holders; provided, however, that if the managing underwriters of the IPO advise NYMEX Holdings in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering and/or that the number of shares of NYMEX Holdings Common Stock proposed to be included in the IPO Registration would adversely affect the price per share of NYMEX Holdings’ equity securities to be sold in the IPO, NYMEX Holdings shall be entitled to include in such registration (A) first, the NYMEX Holdings Common Stock desired to be sold by NYMEX Holdings, (B) second, the NYMEX Holdings Common Stock requested to be included therein by the Pre-Closing NYMEX Holders, and (C) third, to the extent of any remaining availability, the shares of NYMEX Holdings Common Stock issued pursuant to this Agreement (other than Early Delivery Shares or Delayed Delivery Shares which have not yet been delivered) requested to be included therein by the Closing COMEX Owners, *pro rata* among the Closing COMEX Owners on the basis of the number of shares eligible and requested to be registered of each series of common stock by such Closing COMEX Owners. For the avoidance of doubt, the parties will endeavor to consummate the Transaction as soon as practicable, but in no event shall any provision of this Agreement be construed to obligate any party to consummate the Transaction prior to the consummation of the IPO.

(n) Payment Upon IPO.

(i) In the event the Closing occurs prior to the consummation of an IPO, NYMEX Holdings will be obligated to pay to the COMEX Owners in accordance with Section 9(n)(i) and Section 9(n)(ii), an amount equal to \$10 million (to be distributed among COMEX Owners *pro rata*, based on the number of COMEX Memberships owned of record by each of them on the effective date of the IPO Registration (the “**Cash Payment**”)) upon the receipt by NYMEX Holdings of the net proceeds of such an IPO (the “**Net IPO Proceeds**”).

(ii) NYMEX Holdings shall deposit \$500,000 of the Cash Payment (the “**Special COMEX Reserve**”) in a segregated account established with the JPMorgan Chase Bank, N.A. (the “**Paying Agent**”). Amounts deposited pursuant to this Section 9(n)(ii) shall be the property of the COMEX Members as they may be from time to time. Such amount shall be disbursed at the written direction of the Governors Committee and shall be used to pay for the costs and expenses associated with protecting the interests of the COMEX Members. The Paying Agent shall invest and reinvest the amounts in the Special COMEX Reserve and any interest or income earned thereon at the written direction of the Governors Committee, and any interest or income earned thereon shall be the property of the COMEX Members as they may be from time to time. Except as provided in this Section 9(n)(ii), nothing in this Agreement shall impose on NYMEX or NYMEX Holdings any obligation to make any deposits with respect to, or pay for any costs and expenses associated with, enforcement of the rights of the COMEX Members under this Agreement, except that NYMEX will satisfy the obligations of COMEX described in Section 9(f) and under Section 360 of the COMEX By-Laws in the event that COMEX defaults on such obligations. Notwithstanding the foregoing, the Special COMEX Reserve may be otherwise disbursed at the written direction of the Chairman or Vice Chairman of the Governors Committee in accordance with a vote of a majority of the votes cast by the COMEX Members who are present at a regular or special meeting of the COMEX Members duly called in accordance with the Amended COMEX By-Laws (or any successor provisions). Neither NYMEX nor NYMEX Holdings shall have any obligation, responsibility or duty with respect to the disposition of funds deposited with the Paying Agent in accordance with this Section 9(n)(ii).

(iii) Promptly upon the receipt by NYMEX Holdings of the Net IPO Proceeds, NYMEX Holdings shall cause funds in the amount of the Cash Payment (less the amount of the Special COMEX Reserve, if any) to be deposited with the Paying Agent, for distribution as provided below. Promptly after the Paying Agent receives the Cash Payment pursuant to this Section 9(n)(iii), the Paying Agent shall deliver or mail to each COMEX Owner who was shown on the records of COMEX as the record owner of a COMEX Membership as of the effective date of the IPO Registration, the COMEX Owner’s *pro rata* share of the Cash Payment. The *pro rata* share will be determined by multiplying the Cash Payment by a fraction the numerator of which is the number of COMEX Memberships owned of record by such COMEX Owner as of the effective date of the IPO Registration and the denominator of which is the aggregate number of COMEX Memberships outstanding as of the effective date of the IPO Registration.

(iv) In the event the Closing occurs after an IPO, this Agreement will not affect the obligation of NYMEX Holdings to distribute the \$10 million due to the COMEX Owners pursuant to Section 1.8.2(b) of the Merger Agreement, and NYMEX Holdings shall have no obligation to pay the Cash Payment to the COMEX Owners pursuant to this Section 9(n).

(o) Dilutive Effect. The parties agree that in the event of any transaction or issuance of capital stock, or declaration or commitment to issue any capital stock, by NYMEX Holdings, between the date of this Agreement and the closing of the IPO, that does not have the same *pro rata* dilutive effect on all shares of NYMEX Holdings Common Stock, or otherwise results in any payment or dividend to the NYMEX Stockholders in their capacity as NYMEX Stockholders that is not also afforded to the COMEX Owners (on a *pro rata* basis consistent with their respective ownership of (or rights to obtain under this Agreement) shares of NYMEX Holdings Common Stock), other than cash dividends made in accordance with Section 9(k)(ii), then NYMEX Holdings will provide an appropriate adjustment to the Closing COMEX Owners (or their assigns to the extent that shares have been transferred prior to such date) necessary to offset the impact of such transaction, issuance, declaration or commitment.

Section 10. Conditions to Each Party's Obligations.

(a) Conditions to the Obligations of the Parties. The respective obligations of each of the NYMEX Parties (and, after the COMEX Owner Approval has been obtained, the COMEX Owners) to consummate the Transaction are subject to the fulfillment prior to or on the Closing Date of all of the following conditions.

(i) No Injunction. There shall not be any statute, rule, regulation, injunction, order or decree, enacted, enforced, promulgated, entered or issued that is applicable to this Agreement or the transactions contemplated hereby by any Governmental Entity prohibiting or enjoining the Transaction.

(ii) Approvals. All approvals and authorizations of, filings and registrations with, and notifications to, all Governmental Entities required for the consummation of the Transaction (the "**Required Approvals**") shall have been obtained or made and shall be in full force and effect, including with regard to the effectiveness of the COMEX Transaction S-1 and the approvals set forth on Exhibit A.

(v) Performance. NYMEX Holdings shall have filed the NYMEX Holdings Charter Amendment required pursuant to Section 9(i) and COMEX shall have adopted the Amended COMEX By-Laws pursuant to Section 9(h).

(b) Further Conditions to the Obligations of Each of the Parties . The obligations of each of the NYMEX Parties (and, after the COMEX Owner Approval has been obtained, the COMEX Owners) to consummate the Transaction are subject to the fulfillment (in the reasonable judgment of NYMEX Holdings, in the case of clauses (i) and (ii) below, or the reasonable judgment of the Governors Committee, in the case of clause (iii) below) prior to or on the Closing Date of all of the following conditions:

(i) Representations and Warranties Correct. The representations and warranties made by the NYMEX Parties shall be true and correct in all material respects on the Closing Date with the same force and effect as if they had been made on and as of the Closing Date, except to the extent that any such representation and warranty is made as of a certain date, in which case it shall be true and correct as of such certain date, and the Closing shall be deemed a certification to that effect.

(ii) Performance. All covenants, agreements and conditions contained in this Agreement to be performed or complied with by the NYMEX Parties on or prior to the Closing Date shall have been performed or complied with in all material respects.

(iii) No NYMEX Material Adverse Effect. There shall have been no event, occurrence or development which, individually or in the aggregate, has caused, or would reasonably be expected to cause, a NYMEX Material Adverse Effect.

(c) Further Conditions to the Obligations of Each of the NYMEX Parties. The obligations of each of the NYMEX Parties to consummate the Transaction are subject to the fulfillment (in the reasonable judgment of NYMEX Holdings) prior to or on the Closing Date of all of the following conditions, any of which may be waived in whole or in part by the NYMEX Parties, as applicable:

(i) Representations and Warranties Correct. The representations and warranties made by the Governors Committee herein shall be true and correct in all material respects on the Closing Date with the same force and effect as if they had been made on and as of the Closing Date, except to the extent that any such representation and warranty is made as of a certain date, in which case it shall be true and correct as of such certain date, and Closing shall be deemed a certification to that effect.

(ii) Performance. All covenants, agreements and conditions contained in this Agreement to be performed or complied with by the Governors Committee on or prior to the Closing Date shall have been performed or complied with in all material respects.

(iii) No Litigation. There shall not be any litigation challenging or seeking damages in connection with the Transaction which would reasonably be likely to enjoin the Transaction or result in damages that would be materially adverse to the NYMEX Parties, such likelihood and materiality to be determined in good faith by NYMEX Holdings upon the advice of counsel.

(iv) No COMEX Material Adverse Effect. There shall have been no event, occurrence or development which, individually or in the aggregate, has caused, or would reasonably be expected to cause, a COMEX Material Adverse Effect.

Section 11. Termination of Agreement, Waiver.

(a) Termination. This Agreement may be terminated:

(i) prior to the COMEX Owners' Meeting, by mutual consent of the parties hereto;

(ii) prior to the Closing, by any party (other than a party then in material breach of their obligations hereunder) in the event that (A) the NYMEX Stockholder Approval is not obtained at the NYMEX Stockholders' Meeting, (B) the COMEX Owner Approval is not obtained at the COMEX Owners' Meeting or (C) if the Closing shall not have occurred on or before November 15, 2006 (the "Termination Date"); provided, however, that in the case of clause (C), if the Required Approvals have not been obtained on or before October 16, 2006, then the Termination Date shall be extended to the earliest date that is 30 days after the date upon which all of the Required Approvals have been obtained, but in no event later than January 9, 2007;

(iii) prior to the Closing, by the NYMEX Parties upon any change by the Governors Committee of their recommendation of this Agreement and the Transaction or the taking of any action by the Governors Committee inconsistent with their obligations set forth in Section 9(g)(ii); or

(iv) prior to the Closing, by the Governors Committee upon any change by the NYMEX Board of their recommendation of this Agreement and the Transaction or the taking of any action by the NYMEX Board inconsistent with their obligations set forth in Section 9(c).

(b) Effect of Termination. In the event of the termination of this Agreement pursuant to Section 11(a), this Agreement shall forthwith become void, and there shall be no liability under this Agreement on the part of any party hereto (other than for willful breach by any party of their obligations prior to termination), and the rights, duties and obligations of the parties shall revert to and remain as they were prior to the execution of this Agreement.

(c) Waiver.

(i) At any time prior to the Closing, either the NYMEX Parties, on the one hand, or the Governors Committee, on the other hand, may (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or

in any document delivered pursuant hereto, and (c) waive any of the conditions to the waiving party's obligation to consummate the Transaction. Any agreement on the part of a party hereto to any such extension or waiver shall be valid if set forth in writing in an instrument signed by or on behalf of such party. The waiver by any party hereto of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

(ii) After the Closing, any such extension or waiver described in Section 11(c)(i) must be approved in the manner set forth in Section 12(b)(ii), and shall not require any action or approval by the Governors Committee.

Section 12. General Provisions.

(ii) After the COMEX Owner Approval has been obtained, this Agreement may be amended, but only by an instrument in writing signed by the NYMEX Parties and approved by the affirmative vote of the record owners of at least 66 ²/₃% of the COMEX Memberships present in person or by proxy at a meeting duly called in accordance with the NPCL and other applicable law and the certificate of incorporation and By-Laws of COMEX.

(c) Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned or delegated, in whole or in part, by NYMEX Holdings or NYMEX, on the one hand, or COMEX, on the other hand, without the prior written consent of the other, but no such assignment shall relieve the assignor of its obligations hereunder. In addition, none of the third-party beneficiary rights set forth in Section 3(d)(i) may be assigned, in whole or in part, by any of the Closing COMEX Owners; provided that (i) any right to receive after the Closing Date (A) Transaction Shares in accordance with the applicable provisions of Section 4 or Section 5 and (B) any payments in respect of such undistributed shares pursuant to Section 9(k) may be assigned together to subsequent transferees as a package with the COMEX Membership in respect of which they are entitled to receive such Transaction Shares and payments in accordance with Section 4(h) and Section 9(l), (ii) the rights contained in Section 9(j), Section 9(l)(ii), Section 9(m) and Section 9(o) may be assigned to subsequent

transferees of the Series B Common Stock issued pursuant to this Agreement and (iii) the rights contained in Section 9(j), Section 9(l)(i) and Section 9(n) may be assigned to subsequent transferees of COMEX Memberships. All such counterparts shall be deemed an original, shall be construed together and shall constitute one and the same instrument. This Agreement shall become effective when each party hereto shall have received counterparts hereof signed by all of the other parties hereto.

(k) Entire Agreement. This Agreement and the form of Amended COMEX By-Laws, attached hereto as Exhibit E, contain the entire agreement among the parties hereto with respect to the subject matter hereof and supersede and replace all other prior agreements, written or oral, among the parties hereto with respect to the subject matter hereof. TO THE

OF

FIRST: Article FOURTH, Section (a) of the Corporation's Certificate of Incorporation is hereby amended to read in its entirety as set forth below:

(a) The total number of shares of stock that the Corporation shall have authority to issue is 176,169,600, of which the Corporation shall have authority to issue (i) 168,009,600 shares of common stock, each having a par value of \$0.01 (the "Common Stock"), which includes (A) 24,480,000 shares of Series A-1 Common Stock (the "Series A-1 Common Stock"), (B) 24,480,000 shares of Series A-2 Common Stock (the "Series A-2 Common Stock"), (C) 24,480,000 shares of Series A-3 Common Stock (the "Series A-3 Common Stock"), (D) 2,161,600 shares of Series B-1 Common Stock (the "Series B-1 Common Stock"), (E) 2,161,600 shares of Series B-2 Common Stock (the "Series B-2 Common Stock"), (F) 2,161,600 shares of Series B-3 Common Stock (the "Series B-3 Common Stock") and (ii) 8,160,000 shares of preferred stock, each having a par value of \$0.01 (the "Preferred Stock"), all of which shall be designated as Series A Preferred Stock (as defined in Article FOURTH, Section (b)(1)). The Series A-1 Common Stock, Series B-1 Common Stock, Series A-2 Common Stock, Series B-2 Common Stock, Series A-3 Common Stock and Series B-3 Common Stock shall be collectively referred to as shares of "Restricted Common Stock" and the other shares of Common Stock shall be referred to as the "Conversion Common Stock." All shares of Restricted Common Stock that automatically convert into shares of Conversion Common Stock pursuant to Article FIFTH, Section (b) or Section (d), shall be retired and shall not assume the status of authorized shares or be available for reissuance.

SECOND: Article FOURTH of the Corporation's Certificate of Incorporation is hereby amended to add Sections (c) and (d) set forth below immediately following Article FOURTH, Section (b):

("COMEX"), dated September 20, 2006 (the "COMEX Transaction Agreement"), the powers, preferences and rights of (i) the holders of Series A-1 Common

Stock and the holders of Series B-1 Common Stock, (ii) the holders of Series A-2 Common Stock and the holders of Series B-2 Common Stock and the (iii) the holders of Series A-3 Common Stock and the holders of Series B-3 Common Stock, and the qualifications, limitations and restrictions thereof, shall in all respects be identical.

THIRD: Article FIFTH, Sections (b) – (e) of the Corporation’s Certificate of Incorporation are hereby amended to read in their entirety as set forth below:

(b) Until the Initial Public Offering (as defined in Article FOURTH), (i) the shares of Series A-1 Common Stock, Series A-2 Common Stock and Series A-3 Common Stock (collectively, the “Series A Common Stock”) shall be transferable only in accordance with procedures that the Corporation will establish and publish and are as set forth as Schedule 6.2 to the Investor Rights Agreement, dated as of March 14, 2006, by and among the Corporation and the General Atlantic Parties (the “Investor Rights Agreement”) to facilitate and govern the methods by which the sales of Series A Common Stock or Class A memberships in the Exchange (each, an “Exchange Membership”), either alone or together will occur and (ii) the shares of Series B-1 Common Stock, Series B-2 Common Stock and Series B-3 Common Stock (collectively, the “Series B Common Stock”) shall be transferable only in accordance with procedures that the Corporation will establish and publish and which will be substantially similar to those described in clause (i), to facilitate and govern the methods by which the sales of Series B Common Stock or memberships in COMEX (each, a “COMEX Membership”), either alone or together will occur, in the case of clause (i) and clause (ii), to (x) an owner of one or more Exchange Memberships or COMEX Memberships or (y) a holder of Restricted Common Stock or Series A Preferred Stock; provided, that (A) a General Atlantic Party may only acquire such shares in accordance with the terms and conditions of the Investor Rights Agreement and (B) if any shares of Restricted Common Stock are transferred to any General Atlantic Party, such shares of Restricted Common Stock shall automatically convert, without any action on the part of the transferor or the General Atlantic Party receiving such shares, into the same number of shares of Conversion Common Stock and shall be subject to the Investor Rights Agreement in accordance with and to the extent of the terms and conditions thereof. Accordingly, notwithstanding the provisions of paragraph (a) of this Article FIFTH, so long as this paragraph (b) remains in effect: (i) the shares of Restricted Common Stock shall not be transferable, and shall not be transferred on the books of the Corporation, unless such transfer is made in compliance with this Article FIFTH; (ii) each certificate evidencing ownership of shares of Restricted Common Stock shall bear a legend prominently noting that fact and the restrictions on transfer contained in this Article FIFTH; and (iii) any attempted or purported transfer of shares of Restricted Common Stock in violation of the provisions of this Article FIFTH shall be null and void ab initio.

(c) In the event of the Initial Public Offering, each holder of shares of Restricted Common Stock will not, during the applicable Restricted Period (as defined below), (1) offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Restricted Common Stock or any securities convertible into or exercisable or exchangeable for Restricted Common Stock (including without limitation, shares of Restricted Common Stock which may be deemed to be beneficially owned in accordance with the rules and regulations of the Securities and Exchange Commission and securities which may be issued upon exercise of a stock option or warrant) or (2) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of shares of Restricted Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of shares of Common Stock, other securities, cash or otherwise. Notwithstanding the foregoing, if (1) during the last 17 days of the period beginning on the effective date of the registration statement relating to the Initial Public Offering and ending on the date that is 180 days after such effective date, the Corporation issues an earnings release or material news or a material event relating to the Corporation occurs; or (2) prior to the expiration of such 180-day period, the Corporation announces that it will release earnings results during the 16-day period beginning on the last day of such 180-day period, the restrictions imposed by this Article FIFTH, Section (c) shall continue to apply with respect to shares of Restricted Common Stock that were to convert into shares of Conversion Common Stock upon the expiration of such 180-day period until the expiration of an 18-day period beginning on the date of the issuance of the earnings release or the occurrence of the material news or material event. Each certificate evidencing ownership of shares of Restricted Common Stock shall bear a legend prominently noting such restrictions on transfer contained in this Article FIFTH, Section (c), and in furtherance of the foregoing, the Corporation and any duly appointed transfer agent for the registration or transfer of the shares of Restricted Common Stock described herein are hereby authorized to decline to make any transfer of shares of Restricted Common Stock if such transfer would constitute a violation or breach of this Article FIFTH, Section (c).

(d) The term "Restricted Period" means each of the periods commencing on the date of the Initial Public Offering and ending (x) with respect to the shares of Series A-1 Common Stock and Series B-1 Common Stock, 180 days thereafter, unless a later date is mandated by the second sentence of Article FIFTH, Section (c), above, and in such case as of such later date, (y) with respect to the shares of Series A-2 Common Stock and Series B-2 Common Stock, 360 days thereafter, and (z) with respect to the shares of Series A-3 Common Stock and Series B-3 Common Stock, 540 days thereafter so that none of the shares of Restricted Common Stock shall be subject to restrictions on transfer contained in this Article FIFTH as of such 540th day. Immediately following the expiration of the relevant Restricted Period, the applicable shares of Restricted Common Stock shall automatically convert, without any action by the holder, into the same number of shares of Conversion Common Stock. The board of directors of the Corporation (the "Board of Directors") shall have the authority, in its sole and absolute

discretion, to reduce the duration of, or to remove, in whole or in part, any Restricted Period and, in connection therewith, cause the conversion of all or any portion of the outstanding shares of Series A Common Stock and Series B Common Stock into the same number of shares of Conversion Common Stock. The Corporation shall at all times reserve and keep available for issuance upon the conversion of shares of Restricted Common Stock, such number of its authorized but unissued shares of Conversion Common Stock as will from time to time be sufficient to permit the conversion of all outstanding shares of Restricted Common Stock.

(e) Notwithstanding any other provision of this Article FIFTH, the following transfers of Restricted Common Stock shall be permitted but shall not shorten the Restricted Period: (i) transfers of shares of Restricted Common Stock (1) to the transferor's spouse or child, (2) to a trust established for the benefit of the transferor or the transferor's spouse or child, (3) to the beneficial owner of an individual retirement account, provided that the transferor is such individual retirement account, (4) to the estate of a deceased stockholder and such transfer was pursuant to the deceased stockholder's will or the applicable laws of descent and distribution, (5) to the beneficiary of an estate referred to in clause (4) above, provided that the transferor is such estate and such beneficiary is the spouse or child of the deceased stockholder or a trust for the sole benefit of such spouse or child, or (6) pursuant to a pledge as collateral or assignment for the benefit of the Exchange and the clearing members of the Exchange as permitted or required under the certificate of incorporation, bylaws, rules or regulations of the Exchange in each case where the transferee receives the same series of Restricted Common Stock as held by the transferor, (ii) transfers to satisfy claims of the Exchange as permitted or required under the certificate of incorporation, bylaws, rules or regulations of the Exchange or (iii) any redemption by the Corporation that has been approved by the Board of Directors.

PARTICIPATION

1. Admission as a Participant

(b) Unless otherwise provided herein, all Members who become Members subsequent to the effective date of the Plan shall become Participants effective on the date such Participant first becomes a Member.

2. Eligibility to Receive Benefits

All Participants who complete fifteen (15) years of Continuous Service shall be Qualified Participants, and thereby shall be entitled, subject to the terms and conditions of the Plan, to the receipt of a benefit hereunder. Benefits under the Plan are payable only to a Qualified Participant or, in the event of such Qualified Participant's death, his Beneficiary. Benefits shall be payable to a Qualified Participant individually, and not to a Qualified Participant's firm or affiliation.

ARTICLE IV
BENEFITS

1. Benefit Commencement Date

Subject to the provisions of Article V hereof, the payment of benefits to a Qualified Participant shall commence on the first business day of the first calendar quarter following the later of (i) the date such Qualified Participant attains the age of 59-1/2 years of age, whether or not such Qualified Participant is a Member on such date; or (ii) the date such Qualified Participant completes fifteen (15) years of Continuous Service, whether or not such Qualified Participant is a Member on the benefit commencement date.

2. Amount of Benefits

(a) Subject to the limitations provided in Article V hereof, (i) each Qualified Participant who is a Full Member shall be entitled to receive the sum of \$12,500 per year for ten years, and (ii) each Qualified Participant who is an Option Member shall be entitled to receive the sum of \$2000 per year for ten years. Such annual payment to each Qualified Participant shall be paid in equal quarterly installments, with payment being made on the first business day of each calendar quarter during the ten-year period.

(b) Each Qualified Participant is entitled to only one benefit under the Plan, regardless of the number of memberships such Qualified Participant owns or holds pursuant to an A-B-C

Agreement. If a Qualified Participant is both a Full Member and an Option Member, such Qualified Participant shall be entitled to receive the Full Member benefit.

(c) Payment of Benefits in the Event of Death

In the event of a Qualified Participant's death prior to having commenced receiving or receiving in full his or her benefit as provided in Section 2 above, the present value of the benefit or the unpaid portion thereof, as the case may be, shall be payable in a lump sum to his Beneficiary. Such lump sum payment shall be made on the first business day of the second calendar quarter after the Committee receives notice of the Qualified Participant's death from the Beneficiary or the Qualified Participant's personal representative. In calculating the present value of the unpaid portion of a benefit, the Committee shall in its sole discretion, in good faith, determine the applicable interest rate to be used in making its calculation. Such determination shall be conclusive and binding upon all parties. Such determination shall not be deemed to have been made by the Committee in a fiduciary capacity.

ARTICLE V
LIMITATION ON BENEFITS;
OTHER LIMITATIONS

1. Funding of the Plan

(a) COMEX shall establish the Account to fund the payment of benefits under Article IV of the Plan. COMEX shall deposit in the Account such amounts as it shall determine in its sole and absolute discretion to contribute for the payment of such benefits.

(b) The amounts held in the Account shall be invested in, or committed to, such instruments or transactions as the Committee deems appropriate.

(c) The amounts of any benefits paid pursuant to Article IV of the Plan shall be charged against the value of the Account.

(d) COMEX shall have no obligation to contribute any assets or otherwise to fund benefits under the Plan other than such assets as it shall, in its sole and absolute discretion, contribute to the Account. Benefits shall be payable only from the Account. If on any date on which a benefit is payable to a Qualified Participant or Beneficiary only a portion of the aggregate benefits due and payable to all Qualified Participants and Beneficiaries may be paid because of an insufficiency of assets in the Account, the aggregate amount that may be paid on such date shall be apportioned among all such Qualified Participants and Beneficiaries in proportion to the amounts then otherwise payable to each of them. Any amount unpaid because of insufficiency of assets in the Account

shall be forfeited and no Qualified Participant, Beneficiary, or any other person shall have any claim against COMEX for any unpaid amount.

(e) Subject to Section 3 of this Article V, the Board may, upon the affirmative vote of a majority of the Board members voting, determine to discontinue future contributions to the Account provided for in subsection (a) or to remove funds placed in the Account to use for its general corporate purposes or otherwise. No Member, Participant, Qualified Participant or Beneficiary shall be entitled to challenge any such determination and the Board shall be under no obligation to replace any amounts removed from the Account.

(f) COMEX does not guarantee, or undertake to ensure, that at any time there will be adequate funds in the Account to satisfy benefits.

2. Limitation Due to Insolvency; NYMEX Not to Have Certain Obligations

(a) The Account shall be subject to claims of creditors of COMEX and, for any period during which COMEX comprises a portion of NYMEX that is not a separate entity, NYMEX, and no Qualified Participant or Beneficiary shall have any right, title, interest, or claim in or to the Account or any other assets of COMEX or NYMEX. NYMEX (other than such portion of NYMEX as constitutes COMEX while COMEX does not exist as an entity distinct from NYMEX) shall have no obligation hereunder regarding contributions, benefits or otherwise, except as may be otherwise expressly and specifically provided hereunder.

(b) No benefits under the Plan may be paid while COMEX (or, while COMEX does not exist as an entity distinct from NYMEX, NYMEX) is insolvent or would, by reason of making such payments, be made insolvent or rendered unable to carry on its corporate purposes, or when the fair value of COMEX's (or, while COMEX is not separately subject to the New York Not-for-Profit Corporation Law, NYMEX's) assets remaining after such payment would be insufficient to meet its liabilities, within the meaning of Sections 515 and 1410 of the New York Not-for-Profit Corporation Law, as said sections may from time to time be hereafter amended, or any successor provisions or comparable provisions of any other applicable law.

(c) If on any date on which a benefit is payable to a Qualified Participant or a Beneficiary only a portion of the aggregate benefits due and payable to all Qualified Participants and Beneficiaries may be paid because of the provisions of subsection (b) above, the aggregate amount that may be paid on such date shall be apportioned among all such Qualified Participants and Beneficiaries in proportion to the amounts then otherwise payable to each of them. In the event that all or part of a benefit otherwise due and payable is not paid to a Qualified Participant or

Beneficiary for the foregoing reason, the unpaid amount thereof shall cumulate and shall be added to the amount due and payable to such Qualified Participant or Beneficiary on the first business day of the next succeeding calendar quarter subject to the provisions of subsection (b) above.

3. Other Limitations

(a) This Section 3 shall apply notwithstanding any other provision of the Plan to the contrary.

(b) No new Participants shall be admitted to the Plan on or after the Effective Date.

(c) The Plan shall remain in full force and effect until full payment has been made of all benefits (the amounts of which are to be calculated under the applicable terms of the Plan other than this sentence, and other than any provision permitting an early termination of the Plan inconsistent with this Section 3) to which the Participants (who have become such before the Effective Date) become entitled on or before the day after the fifteenth anniversary of the Effective Date. In each year in which NYMEX funds its Members Retention and Retirement Plan, NYMEX shall cause COMEX to (or NYMEX shall) fund the Plan's Account in an amount equal to \$800,000. In each year in which NYMEX does not fund its Members Retention and Retirement Plan and does not make any distribution or pay any dividend permitted by law to its members, NYMEX shall cause COMEX to (or NYMEX shall) fund the Plan's Account in an amount equal to \$400,000. In each year in which NYMEX does not fund its Members Retention and Retirement Plan but does make any distribution or pays any dividend permitted by law to its members, NYMEX shall fund the Plan's Account in an amount equal \$800,000. The annual net earnings on the assets in the Plan's Account shall be accumulated and added to (or subtracted from, as the case may be) the principal thereof. Except to the extent that the following provisions of this sentence would cause the Plan to be deemed to be funded for tax purposes, as long as the Plan is in effect no withdrawals shall be made from the Plan's Account other than to pay the Plan benefits (except as a result of the Plan's Account being subject to claims of creditors as otherwise provided herein). Notwithstanding the foregoing, any amount required to be paid by NYMEX or COMEX as set forth in this paragraph for the year ending November 30, 1994 shall be equal to the product of (i) such amount and (ii) 365 minus the number of days from (and including) December 1, 1993 to (and including) the Closing Date divided by 365.

(d) For the year 2002 and each year thereafter, all benefits to be paid under the Plan shall be based on the amounts that as of January 1, 2002 and from time to time thereafter will be expected, as determined under reasonable actuarial assumptions, to be available thereunder to pay benefits; provided that in no event shall benefits payable to any individual under the Plan exceed the benefits that would be payable under the Plan without regard to

this Section 3; and provided, further, that the applicable actuarial assumptions shall be reviewed at least once in each calendar year to follow 1993. For the year 2002 and each year thereafter, if the actuary for COMEX or NYMEX determines that the Plan is overfunded (provided that the interest rate used to make this determination shall be the Chemical prime rate), the Board may, upon the affirmative vote of a majority of the Board members voting, determine, to the extent of such overfunding, to remove funds placed in the Account to use for its general corporate purposes or otherwise; provided that, to the extent that additional benefits would otherwise have been ultimately payable under the plan had such amounts not been so removed and interest at the Chemical prime rate as in effect from time to time had been earned on such amounts, such amounts with such interest shall be returned to the Plan's Account as soon as practicable where, and to the extent that, the absence of such return would result in a delay or reduction in such benefits. Any amounts remaining in the Plan's Account after the satisfaction of all liabilities under the Plan shall be removed for general corporate purposes, or otherwise.

(e) Notwithstanding anything to the contrary contained in this Section 3, the \$800,000 and \$400,000 figures wherever used above shall be reduced at COMEX's or NYMEX's request from time to time (but not more often than monthly), and whether for an entire year or for the prorated portion of any year, in any case in which the assumptions attached to the Plan as Exhibit A (as adjusted from time to time under this Section 3(e)) can be shown not to be reflective of the actual facts as they develop or otherwise can be adjusted for changes that may reasonably be made to such assumptions from time to time (provided that the interest rate used to make this adjustment shall be the Chemical prime rate). If -

(i) under the foregoing sentence (A) actuarial assumptions are adjusted for changes that may reasonably be made to such assumptions from time to time and (B) the \$800,000 or \$400,000 figure (as applicable) is consequently reduced, and

(ii) (A) subsequent actual facts as they further develop are inconsistent with such adjustment and consequent reduction or (B) the revised actuarial assumptions underlying the reduced contribution requirement can be shown not to be reflective of the actual facts as they develop or otherwise can be shown to be unreasonable (provided that the interest rate used to make this determination shall be the Chemical prime rate),

then, as soon as practicable, (x) in the case of clause (ii) (A) above, NYMEX shall cause COMEX to (or NYMEX shall) fund the Plan by the amount of the excessive reduction, with interest at the Chemical prime rate as in effect from time to time; provided that the funding requirement of this sentence shall in no event exceed the amount of a corresponding reduction that had been made under the foregoing sentence, with interest at the Chemical prime rate as in effect from time to time; and (y) in the case of clause (ii)(B) above, the actuarial assumptions to be used prospectively shall be

adjusted so as to be reasonable (provided that the interest rate used to make this adjustment shall be the Chemical prime rate); provided that the in no event shall the funding requirements of this Section 3 ever exceed the \$800,000 and \$400,000 figures otherwise set forth in this Section 3.

(f) On and after the Effective Date, the Plan shall not be amended or terminated to the detriment of the benefits of any Participant (who has become such before the Effective Date), except as may be required by law, or in accordance with the written consent of sixty percent (60%) of the Participants (who have become such before the Effective Date) then living.

(g) On and after the Effective Date, benefits which may become payable under the Plan shall be payable solely from the Plan's Account, and in no circumstances shall such amounts be payable from the general corporate funds of COMEX or NYMEX (except inasmuch as amounts in the Plan's Account, are themselves considered general corporate funds of COMEX or NYMEX, respectively, or if and to the extent NYMEX shall have failed (and shall have failed to cause COMEX) to fund the Plan's Account in accordance with this Section 3).

(h) If (i) NYMEX enters into or effects any transaction involving the merger or consolidation of NYMEX or COMEX (or a successor to COMEX) with or into another entity, the sale, transfer or lease of all or substantially all of the assets of NYMEX or COMEX (or a successor to COMEX) to another entity or any similar transaction (the "Transaction"), (ii) NYMEX is not then in Violation of this Section 3 (provided that, for these purposes any contributions or actions required to be made or taken "as soon as practicable" shall have been made prior to the consummation of the Transaction) and (iii) the surviving or acquiring entity agrees to be substituted for NYMEX in the Plan (or if COMEX (or a successor to COMEX) upon the consummation of the Transaction neither is a member of an affiliated group of companies nor comprises a portion of an acquiring, company), then, upon the consummation of the Transaction and the transfer of the Plan's Account to, or continued maintenance of the Account by, as applicable, the post-Transaction sponsor of the Plan, this Section 3 and any other terms of the Plan imposing obligations, responsibilities or other liabilities upon NYMEX shall be of no force or effect with respect to, and shall not otherwise be binding on, NYMEX.

ARTICLE VI MISCELLANEOUS

1. Administration

The Plan shall be administered by a committee (the "Committee") to be appointed by the Board. The Committee shall have such powers as may be specifically delegated to it by the Board as well as all other powers incident to the administration of

the Plan. Members of the Committee shall serve at the pleasure of the Board, and may be removed at any time, with or without cause, by a majority of the members of the Board voting thereon. Actions taken by the Committee pursuant to the powers granted to it shall be conclusive and binding upon COMEX, Participants, Qualified Participants and Beneficiaries. Committee members shall be indemnified and held harmless by NYMEX from and against any and all claims, proceedings, actions, damages, liabilities or expenses incurred by, or asserted against, them arising out of, or relating to, their actions in their capacity as members of the Committee, to the maximum extent provided by law and by the By-laws of NYMEX. In furtherance of such indemnification, COMEX or NYMEX may purchase such insurance policies therefor as may be lawful under, and consistent with, the laws of the State of New York.

2. Nonassignment of Rights

No Member, Participant, Qualified Participant or Beneficiary may assign any of his or her rights under the Plan without the prior written consent thereto of the Board.

3. Amendments and Termination

The Board may at any time amend or terminate the Plan, in whole or in part, upon the affirmative vote of a majority of the Board members voting. Incident to any such termination or amendment, the Board in its sole discretion may determine that amounts in the Account which would otherwise have been used to make benefit payments to Qualified Participants or Beneficiaries are required for the conduct of other corporate purposes of COMEX and may permanently suspend the payment of benefits of all Qualified Participants and Beneficiaries then receiving benefits and/or determine that no future benefit payments shall be made to any Qualified Participants or Beneficiaries.

4. Governing Law

The Plan shall be governed by and construed and interpreted under and in accordance with the laws of the State of New York without regard to the conflict of laws provisions thereof.

5. Authorization of The Plan

This restatement of the Plan shall become effective upon the Effective Date, following the approval of a majority of the Board members voting thereon, and the affirmative vote of a majority of the Full Members or COMEX entitled to vote thereon at a meeting duly called and held for that purpose.

**ARTICLE 1
MEMBERSHIP**

Section 100. CATEGORIES, NUMBER OF MEMBERSHIPS

(A) There will be two categories of membership in COMEX: the NYMEX Membership (of which only one will be issued) and COMEX Division Memberships. Only NYMEX shall have the voting, liquidation and the other rights and privileges of a member under the New York Not-For-Profit Corporation Law (the "NPCL"), such power to be exercised pursuant to the terms of these By-laws.

(B) The number of COMEX Division Memberships is limited to 772. Holders of the COMEX Division Memberships will not have any ownership or other rights under the NPCL but will have the rights contained in these By-laws. Except as expressly provided in these By-Laws, the holders of COMEX Division Memberships, in their capacity as such, shall have no voting rights.

Section 101. ELIGIBILITY CRITERIA AND PROCEDURES

(A) Subject to the terms of Section 158(C)(2), the Board may adopt, from time to time, Rules relating to criteria for eligibility for membership and procedures for becoming a member and any requirements or procedures for the acquisition or transfer of a membership as it may determine.

(B) Subject to the terms of Section 158(C)(3)(b), the Board may adopt, from time to time, Rules relating to eligibility and application procedures for Floor Members as it shall determine.

Section 102. FINANCIAL STANDARDS

(A) The Board may adopt, from time to time, Rules relating to financial standards applicable to Members and Member Firms as a condition to becoming a Member and continuing as a Member. Subject to the terms of Section 158(C)(2), such financial standards may differ among different categories of membership as determined by the Board in its discretion.

(B) Any Member who is registered with the Commission shall comply with such rules and regulations as the Commission adopts relating to financial requirements.

Section 103. DUES

The Board may assess such dues upon each owner of a COMEX Division Membership as it determines, but in no greater amount than those dues imposed on each owner of a NYMEX Division Membership. The Board may also, in its discretion, waive the payment of dues by owners of COMEX Division Memberships. Dues assessed on COMEX Division Members shall be applied pro rata among all owners of COMEX Division Memberships on the basis of the number of regular memberships held, including, for these purposes, regular memberships held by the Exchange or its Affiliates, and are payable by the owner of the COMEX Division Membership in whose name the membership is registered.

Section 104. ASSESSMENTS

(A) The Board may levy such assessments upon each owner of a COMEX Division Membership as it determines, but in no greater amount than those imposed on each owner of a NYMEX Division Membership. The Board may also, in its discretion, waive the payment of such dues by owners of COMEX Division Memberships.

(B) From time to time the COMEX Governors Committee may levy such assessments upon the COMEX Division Memberships as it determines to be necessary in its sole discretion to fund the costs and expenses of independent legal or other professional services to protect the COMEX Members' interests. Notwithstanding Section 104(C), such assessments shall be due and payable at such time as the COMEX Governors Committee may determine.

(C) All assessments are due and payable at such time as the Board may determine. All assessments on COMEX Division Members will be applied pro rata among all owners of COMEX Division Memberships based on the number of COMEX Division Memberships owned, including, for these purposes, regular memberships held by the Exchange or its Affiliates, and will be payable by the owner of the COMEX Division Membership in whose name the membership is registered. (Section 104 Adopted 08/03/94)

Section 105. FEES

(A) Subject to the limitations set forth in these By-laws, from time to time the Board may establish fees, in such amounts as it determines, on contracts traded on the COMEX Division. For the purposes of Sections 105(B) – (I) below, the term "fees" shall mean trade execution charges and related surcharges (except for any lessee or licensee surcharges) as opposed to administrative fees set forth in Section 105(K).

(B) Until [FIVE YEARS FROM THE CLOSING DATE], the average member fee for COMEX Division Members for all COMEX Core Products may not be increased from their levels as of [DATE OF CLOSING] by any greater percentage than the average member fees for all NYMEX Core Products are increased after such date. For example, if on [CLOSING DATE] the average member fee for all NYMEX Core Products is \$1.00, but on [ONE YEAR AFTER CLOSING DATE] the average member fee for all NYMEX Core Products increases by 50% to \$1.50, then the average member fee for all COMEX Core Products could not be increased by more than 50% over this same one-year period. Nothing in this Section 105(B) will prohibit NYMEX from eliminating different tiers of member rates.

(C) Open outcry fees for COMEX Division Members and non-members trading COMEX Division contracts shall not exceed electronic fees for the same or equivalent products, including miNYs; provided, however, that when comparing fees, contracts must be compared as if they were of equivalent contract size. For instance, the fee for an open-outcry traded 100 oz. Gold future could not exceed the fees for two electronic 50 oz. Gold miNY contracts.

(D) (1) Subject to subsection (3) below, for the period that any COMEX Core Products are traded via open outcry, fees charged to owners of COMEX Division memberships on COMEX Core Products (traded electronically or by open outcry) will be at least 50% lower than the fees charged to participants in the next highest tier of fees; with respect to New Metals Contracts, this provision will also apply until [FIVE YEARS FROM CLOSING] to fees charged to owners of COMEX Division Memberships on New Metals Contracts (traded electronically or open outcry). At the time of any fee change, in comparing fees under this Section, the actual costs paid to any Electronic Trading System provider over the preceding three months expressed as a weighted average fee per contract will be deducted from the electronic (not open outcry) fees before calculating the fee differential. For example, based on a hypothetical Electronic Trading System cost structure, if, over the prior three month period, the first 10,000,000 trades were provided at a fee of \$.50 per side and the next 20,000,000 trades were provided at \$.30 per side, the average fee per contract would be \$.3667 per side; this amount would be deducted from the member fee and the next highest tier of fees in comparing whether the member fee was at least 50% lower than the next highest tier of fees.

(2) For the period after open outcry trading of all COMEX Core Products has ceased, the average non-member/member fee ratio for all COMEX Core Products would not be less than the average non-member/member fee ratio for all NYMEX Core Products traded both electronically and via open outcry. For example, if the non-member/member fees were \$1.00 and \$.50, respectively, for NYMEX Division Core Products, the ratio for non-member to member fees for COMEX Division Core Products could be no lower than 2:1.

(3) The following fees are excluded from the term “next highest tier of fees” as set forth in Subsection (1):

- (a) Fee waivers (as set forth in subsection (E) below)
- (b) Cross-divisional Trading Fees (as set forth in subsection (F) below)
- (c) Market Maker Fees (as set forth in subsections (G) below)

(d) Volume discount fees. These fees are discounted non-member fees applicable once volume thresholds are met, with such volume thresholds set at a reasonable level such that they are not designed to apply to more than 20% of total non-member volume. The discounted non-member fee must be at least 25% greater than the applicable COMEX Division member fee at all times. For instance, if the member fee were \$.40, then the discounted non-member rate would not be less than \$.50. NYMEX will review these fees on at least a quarterly basis to determine whether this 20% cap is being achieved and will use commercially reasonable efforts to readjust the volume thresholds to achieve the 20% cap.

(e) Permittee fees for permits established in accordance with By-law Sec. 157(H), provided, however, that no permittee fee shall be lower than the applicable COMEX Division member fees.

- (f) Fees charged to COMEX Division Lessees or Licensees and COMEX Option Members.

(E) Fee Waivers. NYMEX may institute fee waivers for any COMEX contract, for up to a six-month period with extension for additional six-month periods after prior reasonable consultation with (but not requiring the approval of) the COMEX Governors Committee. In the event that fee waivers are provided to non-COMEX Division Members for any COMEX contract, fees for that contract must also be waived for COMEX Division Members. In addition, all fee waivers will apply equally to open outcry trading and electronic trading of the same metals products, regardless of size, e.g., if NYMEX waives fees on gold miNY contracts, it must also waive fees for full-size gold contracts trading on open outcry; provided, however, that if NYMEX waives open outcry fees, electronic fees are not required to be waived.

(F) Cross-Divisional Trading (1) Until [FIVE YEARS AFTER CLOSING], the fees charged with respect to open outcry trading of NYMEX Division contracts by COMEX Division Members (or COMEX Division contracts by NYMEX Division Members), who are natural persons who own the relevant membership and are not persons who lease or license memberships, as customers from off the floor for their own accounts (but not for the account of a Member Firm or any other business association) shall be established by the Board and shall be equal to the mean between the lowest fees charged to owners of COMEX Division memberships for open outcry contracts traded on the COMEX Division and the highest tier of fees charged to non-members for open outcry contracts traded on the COMEX Division; provided, however, that in no event shall fees charged to COMEX Division Members trading NYMEX Division contracts be less than fees charged to NYMEX Division Members trading NYMEX Division contracts.

(2) Until [FIVE YEARS AFTER CLOSING], with respect to cross-divisional trading of contracts traded on an Electronic Trading System with respect to COMEX Division or NYMEX Division Members, as applicable, who are natural persons who own the relevant membership and not persons who lease or license memberships, as customers for their own accounts (but not for the account of a Member Firm or any other business association) shall be established by the Board and shall be equal to, on a per contract basis:

(i) for COMEX Division Members trading NYMEX Division products: the mean between the lowest such fees charged to owners of NYMEX Division memberships and the highest tier of fees charged to non-members for such contracts traded on the NYMEX Division; and

(ii) for NYMEX Division Members trading COMEX Division products: the mean between the lowest such fees charged to owners of COMEX Division memberships and the highest tier of fees charged to non-members for such contracts traded on the COMEX Division.

(3) After [FIVE YEARS AFTER CLOSING], the Board, in its sole discretion, shall determine whether to permit cross-divisional trading at discounted fees and to determine any fees relative to cross-divisional trading; provided, however, that in the event NYMEX Division Members are provided discounted fees for trading COMEX Division contracts, COMEX Division members shall be provided discounted fees on an equivalent basis for trading NYMEX Division contracts.

(G) Market Makers (1) CME market makers designated pursuant to the April 6, 2006 Services Agreement between NYMEX and the Chicago Mercantile Exchange shall be permitted to receive COMEX Division member fees. The number of market makers for COMEX Division products pursuant to that Agreement and the rights given to such market makers for COMEX Division products under that Agreement as of April 6, 2006 will not be increased without the prior consent of the COMEX Governors Committee in its sole discretion.

(2) NYMEX may appoint up to four COMEX Division Members to act as “market makers” for each COMEX Division product traded electronically (with no more than 10 individuals per market maker trading electronically on each market maker’s account at any time). This “market maker” appointment is subject to a time limit of one year from the time such COMEX electronic product begins to trade and may be extended for one additional year with the prior consent of the COMEX Governors Committee in its sole discretion. Any market makers appointed pursuant to this Section 105(G)(2) will not be entitled to any preferential status or terms other than a fee preference for their market making activities.

(3) NYMEX will not authorize any additional “market makers” for any COMEX Division products other than as set forth in this Section 105(G).

(H) Except as set forth in this subsection (H), the provisions of Section 105 shall not apply to products listed for clearing only (which are currently listed on NYMEX ClearPort Clearing). For NYMEX ClearPort® Clearing products where metals are the underlying commodity, if NYMEX Members are provided a member fee for NYMEX ClearPort Clearing products where NYMEX Core Products are the underlying commodity, COMEX Members will receive a member fee on a per product basis not greater than seventy percent (70%) of the fee charged from time-to-time to non-members for trading such metals products provided that the applicable COMEX Division Members meet the regulatory requirements set by the CFTC and NYMEX for such trading.

(I) If NYMEX obtains the right for NYMEX Division Members to trade on another exchange any (i) contracts in which the underlying commodity is a metal other than Platinum or Palladium or (ii) contracts that are competitive with NYMEX Core Products, at a percentage discount from what would be charged to members of the public for trading those contracts, and if that other exchange lists metals contracts of any kind other than Platinum or Palladium, then NYMEX shall obtain for the COMEX Division Members the right to trade each of those metals contracts at the same percentage discount.

(J) The current surcharge charged to lessees or licensees of COMEX Division Memberships may not be decreased below current levels as of [THE CLOSING DATE] without the prior consent of the COMEX Governors Committee in its sole discretion.

(K) NYMEX may impose administrative fees, such as booth, telephone, electronic terminal, bandwidth or similar fees, on the COMEX Division Members on a uniform basis as a class; provided, however, that such fees shall be reasonably related to actual expense increases faced by NYMEX and such fees charged to COMEX Division Members may not exceed those charged to NYMEX Division Members.

Section 106. FAILURE TO PAY DUES, ASSESSMENTS AND FEES

(A) If a Member fails to pay any dues, assessments or fees when due and such failure is not cured within thirty (30) days after written notice to the Member by the COMEX Division that such dues, assessments or fees are due, such Member shall be suspended automatically from all rights and privileges of membership. Such suspension shall continue in effect until the failure is cured. The Executive Committee, upon written application received prior to the expiration of such period, may extend the thirty (30) day period, in its sole discretion.

(B) If a Member who is suspended under subsection (A) of this Rule fails to pay any dues, assessments or fees within thirty (30) days of the suspension, the Member shall be expelled from membership. The Board or the Executive Committee, upon written application received prior to the expiration of such thirty (30) day period and for good cause, may extend the thirty (30) day period.

(C) Any Member who fails to pay any dues, assessments or fees after written notice to the Member that such dues, assessments or fees are payable, shall pay a penalty, in addition to the sanctions imposed by this By-Law Section 106, as fixed from time to time by the Board but not less than twenty percent (20%) of the amount due.

Section 107. NOTICE OF DUES AND ASSESSMENTS

(A) Notice of all dues and assessments shall be published by the Exchange and shall be given: personally by delivery to a postal box located on the Exchange premises; or, by first class mail, postage prepaid and addressed to the Member at the address such member has filed with the Exchange. Notice, when mailed in accordance with this By-Law section 107, shall be effective when mailed.

(B) Non-receipt of the notice shall not operate to relieve the Member from payment, to extend the time for payment or to relieve any Member from the imposition of penalties for failing to pay dues and assessments.

Section 108. EFFECT OF SUSPENSION OR EXPULSION OF MEMBERSHIP

(A) A Member or Member Firm whose rights and privileges of Membership have been suspended shall continue to be:

- (1) subject to the By-Laws and Rules of the Exchange;
- (2) liable for all dues, assessments, fees and fines imposed by the Exchange; and
- (3) obligated to the Exchange and to its Members for all contracts, obligations and liabilities entered into or incurred before, during and after such suspension.

(B) A Member or Member Firm who has been expelled from the rights and privileges of Membership shall continue to be:

- (1) subject to the disciplinary and arbitration rules of the Exchange;
- (2) liable for all dues, assessments, fees and fines imposed by the Exchange prior to such expulsion; and
- (3) obligated to the Exchange and its Members for all contracts, obligations, liabilities, fines and penalties entered into or incurred prior to or after such expulsion.

Section 109. TRANSFER OF MEMBERSHIP

(A) Membership in the Exchange is only transferable pursuant to the terms and conditions established by the By-Laws and the Rules.

(B) A Member who is the subject of any disciplinary proceeding or investigation by the Exchange may transfer a membership pursuant to the terms and conditions established by the By-Laws and Rules.

(C) Transfer restrictions on COMEX Division Memberships shall be subject to the provisions of By-law Section 158 (C).

Section 110. DISCLOSURE OF INFORMATION

The Exchange shall not disclose to any person any information regarding the financial condition of a Member or Member Firm or the transactions or positions of any Member or Member Firm or any person except:

(1) to any committee, officer, director, employee or agent of the Exchange authorized to receive such information within the scope of its or such person's duties;

(2) to any duly authorized representative of the Commission or other regulatory agency with jurisdiction over the Exchange requesting such information or to any duly authorized representative of any other regulatory or self-regulatory organization with which the Exchange, as approved by the Board, has entered into an information sharing agreement;

(3) as required by law;

(4) when the Member or Member Firm requests or consents to such disclosure; or

(5) that the Exchange may release such information in connection with any litigation involving the Exchange when, in the opinion of the Exchange, the information is relevant or the release of the information is necessary and appropriate to the conduct of such litigation.

Sections 111-149. [RESERVED]

Sections 150-156. [RESERVED]

Section 157. COMEX DIVISION MEMBERSHIP RIGHTS AND PRIVILEGES

(A) COMEX Division Members shall have the following rights and privileges:

(1) Trading in the gold, silver, copper and Eurotop 100 futures and option contracts that were traded on Commodity Exchange, Inc. immediately prior to August 3, 1994 and any replacement contracts for such contracts ("COMEX Division Replacement Contracts"), regardless of size, including trading such contracts through an Electronic Trading System, if such contracts are listed thereon for trading;

(2) Trading all "New Metals Contracts," defined as all contracts approved for trading after August 3, 1994 on any part of the Exchange, other than COMEX Division Replacement Contracts, for which the underlying commodity is one or more metals or alloys, other than platinum, palladium or an alloy containing one or more of those metals approved for trading on the Exchange at any time ("Platinum/Palladium Contracts"), including trading such contracts through an Electronic Trading System, if such contracts are listed thereon for trading;

(3) Proprietary trading in each contract approved for trading on any part of the Exchange after August 3, 1994, including through an Electronic Trading System if such contract is listed thereon for trading, for which the underlying commodity is a hydrocarbon, fossil fuel or other energy source or other energy source derived from another energy source ("New Energy Contract") for a period of two years (unless extended by the Board in its sole discretion) after the date such contract commences trading on the Exchange, provided that for this purpose "New Energy Contracts" does not include contracts introduced as replacements for other contracts previously traded on the Exchange ("Replacement Contracts") regardless of whether permit programs on such contracts are implemented;

(4) Trading in each contract approved for trading on any part of the Exchange, after August 3, 1994, including through an Electronic Trading System if such contract is listed thereon for trading, which is not a New Energy Contract, a Replacement Contract or a New Metals Contract ("New Contract"), for period of two years after the date the contract commences trading on the Exchange;

(5) Proprietary trading in each New Contract approved for trading on any part of the Exchange, after August 3, 1994, including through an Electronic Trading System if such contract is listed thereon for trading, which is not a New Energy Contract, a Replacement Contract or a New Metals Contract, provided that such limited trading

privileges will be non-transferable and will be available as to any particular contract only to a COMEX Division Member who is an individual owner of COMEX Division Memberships as of the date six months prior to the date trading in that contract commences, and will continue as to that contract only for so long as such COMEX Division Member continues to own a COMEX Division Membership;

(6) Proprietary trading in Platinum/Palladium Contracts, including through an Electronic Trading System if such contract is listed thereon for trading; and

(7) Proprietary trading until [FIVE YEARS AFTER CLOSING] (unless such privileges are extended in accordance with Section 105(F)) of contracts traded on the NYMEX Division, through an Electronic Trading System, on terms set forth in Sec. 105(F).

(B) NYMEX Division Class A Members shall have the following trading rights on the COMEX Division (in the case of clauses (3) and (4) below) and the NYMEX Division (in the case of clauses (1) and (2) below) in addition to their other trading rights and privileges on the NYMEX Division:

(1) trading in Platinum/Palladium Contracts;

(2) trading in New Energy Contracts and new non-metals, non-energy contracts;

(3) Proprietary trading in Eurotop 100 futures and options contracts and New Metals Contracts including through an Electronic Trading System if such contract is listed thereon for trading; and

(4) Proprietary trading until [FIVE YEARS AFTER CLOSING] (unless such privileges are extended in accordance with Section 105(F)) of contracts traded on the COMEX Division, executed through an Electronic Trading System, on terms set forth in Section 105(F).

(C) The rights and privileges set forth in Section 157(A)(3), (5), (6) and (7) shall be exercisable only by COMEX Division Members who are natural persons and not by persons who lease or license memberships. In the case of the NYMEX Division Members, the provisions set forth in Section 157(B)(3) and (4) shall be exercisable only by NYMEX Division Members who are natural persons and not by persons who lease or license memberships.

(D) COMEX Division Members shall have the rights and privileges to continue dual trading in contracts traded on the COMEX Division (to the extent permitted by law) on terms no more restrictive than those imposed for contracts traded on the NYMEX Division.

(E) If the Exchange at any time acquires, is acquired by or merges with or into or otherwise consolidates with, another entity (or sells substantially all of its assets to or acquires substantially all of the assets of any such entity) (i) COMEX Division Members

shall retain in the surviving or resulting entity all of their existing rights and privileges under these By-laws (to the extent that such rights have not expired in accordance with their terms) except that COMEX Division Members will not have trading rights on the surviving or resulting entity under Sections 157(A)(4) and (5) (except those rights that were in existence with respect to contracts being traded at the time of the merger, acquisition, consolidation or sale of assets) and (ii) NYMEX shall use commercially reasonable efforts to obtain trading rights in the surviving or resulting entity for subsequent New Contracts.

(F) COMEX Division Members will have the right to receive an amount equal to \$10 million (to be distributed among the holders of COMEX Division memberships pro rata, based on the number of memberships owned of record by each of them on the effective date of the registration statement referred to below) upon the receipt by NYMEX of the net proceeds of a NYMEX IPO (as hereinafter defined); provided, however, that NYMEX shall deposit \$500,000 into an account which shall be used to pay for the costs and expenses associated with protecting the interests of the COMEX Members. These amounts shall be disbursed at the written direction of the Governors Committee and shall be used to pay for the costs and expenses associated with protecting the interest of the COMEX Division Members. Any amounts deposited pursuant to this Section 157(F) shall be the property of the COMEX Division Members as they may be from time to time. "NYMEX IPO" means a public offering for cash of equity securities pursuant to a registration statement filed under the Securities Act of 1933 by NYMEX, any holding company which holds a controlling interest in NYMEX, or any entity which owns or operates all or substantially all of the business or assets which are owned by NYMEX immediately following August 3, 1994.

(G) Trading privileges and other rights appurtenant to membership in the COMEX Division will be transferable (by sale, lease, license or otherwise). Any right appurtenant to membership to trade through an Electronic Trading System may only be transferred through a sale, lease or license of the entire membership; provided, however, that if NYMEX Division Members are given the right to separately lease or license the right to trade electronically at member fees, COMEX Division Members will also be granted this right.

(H) NYMEX will not issue trading permits to trade any COMEX Core Products (or COMEX Division Replacement Contracts), regardless of size, by open outcry. NYMEX may issue trading permits to trade any New Metals product by open outcry for a period not to exceed two years after the commencement of trading of such New Metals product.

(I) For the purposes of this Section 157, contracts in jet fuel will be considered New Energy Contracts; contracts in aluminum will be considered New Metals Contracts; and contracts in sour crude oil and platinum and palladium will not be deemed included in the contracts described in Section 157(A)(1).

Section 158. ADDITIONAL COMEX DIVISION MEMBER RIGHTS

In addition to the privileges set forth in By-law Section 157 and any other rights contained in these By-laws, COMEX Division Members shall also have the following member rights:

(A) Open Outcry. Until [FIVE YEARS FROM CLOSING DATE], NYMEX will not eliminate, suspend or restrict open-outcry trading of any COMEX Core Product (regardless of size) or any COMEX Division Replacement Contract. After [FIVE YEARS FROM CLOSING], the Board may eliminate, suspend or restrict open-outcry trading of any COMEX Core Product or any COMEX Division Replacement Contract in its sole discretion.

(1) For as long as open outcry exists on the COMEX Division, the COMEX Division Members shall have the exclusive right to trade COMEX Core Products (regardless of size), and any COMEX Division Replacement Contracts, on the floor via open outcry. This right includes the trading of futures and options on COMEX Core Products and COMEX Division Replacement Contracts and the ability to post EFPs for such contracts on the floor of the Exchange; provided, however, that nothing in this Section shall affect the rights of COMEX Option Members to trade pursuant to the Rules.

(2) Trading Hours. NYMEX will consult with (but will not be required to obtain the approval of) the COMEX Governors Committee before proposing any change to open outcry trading hours for any COMEX Division contracts traded via open outcry. In addition, NYMEX may only change COMEX open outcry trading hours (i) if, within 15 days of the issuance of written notice to the COMEX Division Members proposing such changes, there is no written demand for a COMEX Division Member meeting to vote on such changes made by 10% or more of the 772 COMEX Division memberships eligible to vote or (ii) if such written demand for a meeting is made by the owners representing 10% or more of the 772 COMEX memberships within 15 days after the issuance of a written notice then by the approval of the eligible voters representing at least a majority of the COMEX memberships actually voting (in person or by proxy) at a member meeting. The provisions of this Section 158(A)(1) shall not apply to a temporary change on business days preceding an official Exchange holiday or to any temporary change in trading hours implemented by the Exchange in response to a physical or other emergency.

(3) Contract Specifications. (a) Until [DATE FIVE YEARS FROM CLOSING DATE] and except as otherwise provided in Section 158(A)(2), NYMEX will not establish or amend the contract terms and conditions of COMEX Core Products traded by open outcry (regardless of size), or any COMEX Division Replacement Contracts traded by open outcry, without the prior approval of the COMEX Governors Committee, in its sole discretion. This provision does not apply to COMEX Core Products (regardless of size) traded exclusively via electronic means.

(b) After [FIVE YEARS FROM CLOSING DATE], NYMEX will have complete discretion to establish or amend the terms and conditions of COMEX Core Products (and any COMEX Division Replacement Contracts) to the extent necessary in order for the Exchange to meet competitive conditions with respect to such COMEX Contracts.

(c) Until [FIVE YEARS FROM CLOSING], NYMEX will first consult with (but will not be required to obtain the approval of) the COMEX Governors Committee prior to establishing or changing any terms and conditions for any New Metals Contracts.

(B) Facility. (1) For as long as open outcry trading exists on the COMEX Division (but in all events until [FIVE YEARS FROM CLOSING]), NYMEX shall (i) maintain the COMEX Division's current facility for such open outcry market, or a facility comparable thereto, for the dissemination of price information and for open outcry trading, clearing and delivery, (ii) provide reasonable financial support for technology, marketing and research for open outcry markets, and (iii) subject to Section 158(B)(2) and (3), provide reasonable floor space at such facility for open-outcry trading of COMEX contracts.

(2) NYMEX will not reduce current COMEX Division floor space before [DATE THREE YEARS FROM CLOSING] without the prior consent of the COMEX Governors Committee in its sole discretion.

(3) Beginning [DATE THREE YEARS FROM CLOSING] through [DATE FIVE YEARS FROM CLOSING], no reduction in the aggregate size of current COMEX Division floor space may be made to reduce the aggregate size of COMEX current floor space if average daily COMEX Core Product open outcry volume in any consecutive six-month period (on a rolling six-month basis commencing six-months prior to [DATE THREE YEARS FROM CLOSING]) is less than 40% of volume levels based on the average daily volume for the three month period August 1, 2006 through October 31, 2006; any such reduction should be in proportion to the level of volume decrease. For example, in the event that COMEX volume were to drop 50% for a six month period in year 5 (as compared with the base volume figure), the floor space may be reduced up to 50%. The calculations pursuant to this provision shall not include any period in which the Board has taken emergency action.

(C) Membership Privileges

(1) NYMEX may not impose membership transfer restrictions on COMEX Division Members that are more restrictive than those imposed on NYMEX Division Class A Members.

(2) NYMEX may make changes to capital or eligibility requirements for becoming and maintaining Member or non-Clearing Member Firm status; provided that any such changes that are material must be reasonably related to then-current market conditions and commonly accepted industry practices. Notwithstanding anything in this paragraph or in these By-laws (including, without limitation, Section 601) all clearing members for COMEX Division contracts shall be required to own at least two COMEX trading rights as a condition for such clearing membership.

(3) (a) For products traded electronically, NYMEX shall provide COMEX Division Members with the same electronic trading privileges provided to NYMEX Division Members in NYMEX By-Law Sec. 311(F)(1), as may be amended from time to time; provided that any additional ability to lease or license electronic trading privileges or creation of additional electronic trading privileges associated with a NYMEX Class A Membership provided to NYMEX Division Members shall also be provided to COMEX Division Members. Nothing in this subsection shall prohibit NYMEX from providing additional electronic trading privileges in accordance with Section 158(E).

(b) NYMEX will have the right to require that COMEX Division Member Firms hold two COMEX trading rights plus the associated equity for those trading rights if legally permitted. If at any time member firms are required to hold equity, then the COMEX Governors Committee will be entitled to create a new "floor broker" membership classification. A Floor Broker who wished to qualify under such category (i) would be required to hold two COMEX Division trading rights but would not be required to retain the associated equity and (ii) would be entitled to have two bona fide employees, who may be COMEX Division lessees or licensees who will be permitted to trade on behalf of the floor broker and/or his customers without a lessee or licensee surcharge.

(4) COMEX Division Members' and COMEX Option Members' life insurance, disability, health and other welfare benefit plans, programs, policies and arrangements (as applicable) (other than the COMEX MRRP) shall remain in effect to the same extent as NYMEX Division Members. COMEX Division Members' and COMEX Option Members' rights under the Recognition and Retention Plan for Members of Commodity Exchange, Inc. (the "COMEX MRRP") shall continue to be governed by the terms of the MRRP and unaffected by these By-Laws.

(D) Notwithstanding the foregoing, the Board may take whatever action necessary in response to an "Emergency" as set forth in Article 7 of these By-laws as well as any other action as may be required by applicable law or regulation; provided, however, that the Board will use all commercially reasonable efforts to take the steps necessary to ensure that any action taken or rule enacted pursuant to an emergency action is temporary in nature and is consistent with the rights granted under this Section 158.

(E) Notwithstanding anything to the contrary in the By-laws:

(1) The Board will have the right to list electronically for both overnight and side-by-side (i.e., electronically and open outcry trading simultaneously during regular trading hours) trading all COMEX Division contracts. This will include the full-size and miNY gold, silver, copper and Eurotop 100 contracts. In addition, New Metals contracts may be listed electronically (or otherwise) under the same parameters and NYMEX ClearPort Clearing contracts on metals products may be listed for clearing. In addition, the Board will have the right to create a mechanism to post EFPs electronically.

(2) The Board, in its sole discretion, shall have the ability to make additional electronic trading privileges available to trade the products as set forth above without limitation subject to By-law Sections 105(G) and 158(C)(3)(a).

Section 202. SPECIAL MEETINGS OF COMEX DIVISION MEMBERS

(A) Special meetings of the COMEX Division Members may be called by the Board or by the Chairman in their discretion. In addition, special meetings of COMEX Division Members may be called at any time by the COMEX Governors Committee or by the Chairman thereof in their discretion.

(B) A special meeting of COMEX Division Members shall be called by the Chairman or by the Secretary upon receipt by the Chairman or by the Secretary of a written demand of COMEX Division Members entitled to cast twenty percent (20%) of the total number of votes entitled to be cast at such meeting. Any such written demand shall specify the purpose of such special meeting and the special meeting so called shall be

limited to the purpose so set forth. The written demand shall also specify the date of such special meeting which shall be a business day not less than sixty (60) or more than ninety (90) days from the date of such written demand.

Section 203. NOTICE OF MEETING

(A) Notice of the annual meeting of COMEX Division Members shall state the place, date and time of such meeting.

(B) Notice of any special meeting of COMEX Division Members shall state the place, date and time of such special meeting, the purposes for which such meeting is called and shall indicate that it is being issued by or at the direction of the person or persons calling the special meeting.

(C) The President or the Secretary shall issue all notices of meetings of COMEX Division Members.

(D) A copy of the notice of any meeting of COMEX Division Members shall be given personally, or by delivery to a postal box located on the Exchange premises or by first class mail, postage prepaid and addressed to each COMEX Division Member at his address as it appears in the records of the Exchange. Notice of a meeting, when mailed in accordance with this By-Law Section 203(D), shall be effective when mailed. Notice of any meeting of COMEX Division Members shall be given not less than ten (10) nor more than fifty (50) days prior to the date of the meeting.

Section 204. QUORUM OF MEMBERS

One hundred fifty (150) COMEX Division memberships, whether present in person or by proxy, shall constitute a quorum for the transaction of any permitted business at any meeting of COMEX Division Members held in accordance with these By-Laws. the preceding sentence, to the extent permitted by law and except as provided in Section 500(B), any action of the COMEX Division taken by a vote of the NYMEX or COMEX Division Members requires a vote of a majority of the votes cast in person or by proxy at a meeting of Members of that class by the Members entitled to vote thereon. Blank ballots or abstentions shall not be counted in the number of votes cast. On any matter with respect to which COMEX Division Members are entitled to vote, COMEX Division Members will have one vote per COMEX Division Membership owned, and COMEX Division Memberships held by the Exchange or its successor in interest or any of its Affiliates shall not be entitled to vote.

Notice of any action with respect to Special Matters taken pursuant to clause (i) above shall be given personally, electronically or by delivery to a postal box located on the Exchange premises or by first class mail, postage prepaid and addressed to each COMEX Division Member at his address as it appears in the records of the Exchange. Notice of such action, when mailed in accordance with this By-Law Section 205(D), shall be effective when mailed. Notice of any such action shall be given promptly after such action.

The Special Matters are:

(1) Any change in the COMEX Member Retention and Retirement Plan as in effect on August 3, 1994;

(2) Any amendment to Sections 103, 104, 157(H), 202, 203, 204, 205(B), 206, 402(E) and 402(F), and Art. 4A (except Section 400A which may only be amended in accordance with Section 500(B)).

(E) Notwithstanding the foregoing provisions of Section 205(D), Section 205(D) shall not apply to emergency actions taken pursuant to Article 7. Any such written request shall specify the purpose of such request and shall be submitted to the Secretary not less than 10 or more than 50 days before the date of such Board meeting. Notwithstanding the foregoing, the Board shall have no obligation to vote upon the matter or matters contained in such written request. (Section 207 Adopted 08/03/94)

ARTICLE 3
GOVERNMENT AND ADMINISTRATION

Section 300. COMPOSITION OF BOARD

(A) The governance of the COMEX Division shall be vested in the Board which shall be elected by NYMEX and shall consist of the fifteen (15) persons who serve as Directors on the NYMEX Board.

Section 301. POWERS OF THE BOARD

(A) Subject to Sections 105, 157, 158, 205(D) and 500(B), the COMEX Division shall be managed by the Board of Directors which is vested with all powers necessary and proper for the government of the COMEX Division, the regulation and conduct of Members and Member Firms, and for the promotion of the welfare, objects and purposes of the COMEX Division. Subject to Sections 105, 157, 158, 205(D) and 500(B), the Board shall have control over and management of, the property, business and finances of the COMEX Division. Subject to Sections 105, 157, 158, 205(D) and 500(B) of these By-Laws, the Board may also adopt, amend, rescind or interpret the Rules of the COMEX Division as it deems necessary and appropriate.

(B) Without limiting the generality of the foregoing and subject to paragraph (D) of this Section, the Board shall have the following powers:

(1) the Board may make such expenditures as it deems necessary for the best interests of the COMEX Division;

(2) the Board may fix, from time to time, the fees or other compensation to Directors and to Members of any committee of the Board for services rendered in performing these duties as such, including compensation for Public or Independent Directors may differ from the compensation for other Directors;

(3) the Board shall have the power to take such action as may be necessary to effectuate any final order or decision of the Commodity Futures Trading Commission taken under authority of the Commodity Exchange Act and necessary to comply in all respects with any requirements applicable to the COMEX Division under the Act; and

(4) the Board shall have the power to adopt arbitration rules for the settlement of claims, grievances, disputes and controversies.

(C) The Board may designate by resolution, from time to time, such committees as it may deem necessary or appropriate, and delegate to such committees the authority of

the Board to the extent provided in these By-Laws or in such resolution, subject to any applicable provision of law.

(D) No action taken by the Board of Directors with respect to any Special Matter shall be effective without either (i) the prior consent of the COMEX Governors Committee as provided in Section 205 of these By-Laws which shall be subject to the veto rights of the COMEX Division Members provided for in Section 205(D) or (ii) the prior approval of COMEX Division Members in accordance with the provisions of Section 205(D).

Section 302. CHAIRMAN OF THE BOARD OF DIRECTORS

(A) NYMEX shall designate the Chairman of NYMEX as the Chairman.

(B) The Chairman shall be an *ex-officio* member of all Committees.

(C) The Chairman shall have such authority and perform such duties as are incident to his office. He shall present any reports of the Board at meetings of Members. Whenever he deems it appropriate, the Chairman may communicate to the Board or to the Members any ideas and suggestions which tend, in his opinion, to promote the welfare and usefulness of the COMEX Division. The Chairman shall have a vote on all questions at all meetings of the Board or of the Members.

Section 303. VICE CHAIRMAN OF THE BOARD OF DIRECTORS

(A) NYMEX shall designate the Vice Chairman of NYMEX as the Vice Chairman.

(B) If the Chairman is absent or unable to perform his duties, the Vice Chairman shall exercise and shall perform the duties of the Chairman. If both the Chairman and the Vice Chairman are absent or unable to perform the duties of Chairman, the President shall exercise and perform the duties of the Chairman. If the Chairman, Vice Chairman and President are all absent or unable to perform the duties of Chairman, a quorum of the Board, by majority vote, may choose an acting chairman from the remaining Directors.

Section 304 – 306. [RESERVED]

Section 307. RESIGNATION AND REMOVAL OF DIRECTORS

(A) Any Director may resign at any time by tendering written notice of his resignation to the Board. Any resignation unless conditioned on acceptance, will be effective on the date stated in the notice or, if no date is stated, on the date tendered. Further, a resignation from the board of directors of NYMEX shall be deemed a

Section 308. FILLING OF VACANCIES

(A) In the event there is a vacancy among the Directors caused by the death, removal or resignation of Director such vacancy shall be filled by a vote of NYMEX.

(B) A Director, other than the Chairman or Vice-Chairman, appointed to fill a vacancy under this Section 308 shall hold office until the next annual meeting of members and until his successor is elected or appointed and qualified. Such successor, and any person elected to fill an unfilled vacancy or to replace a resigning Director shall be elected for a term of such length as would have remained in the term of the Director whose death, removal or resignation caused the vacancy. If no time would have remained in such term, such successor shall be elected for a full term.

Section 309. MEETINGS OF THE BOARD

(A) Regular meetings of the Board shall be held at such times as the Board deems appropriate. Regular meetings of the Board may be held without notice at such time and at such place as may from time to time be determined by the Board. Special meetings of the Board may be called by the Chairman, if there be one, the President, or by a majority of the Directors. Notice thereof stating the place, date and hour of the meeting shall be given to each Director either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone, telegram or electronic means on twenty-four (24) hours' notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

(B) The Chairman of the COMEX Governors Committee or his designee shall be entitled to attend all meetings of the Board in person, as an observer only, and not as a Director. The Chairman of the COMEX Governors Committee shall not, *ipso facto*, be a member of the Board, shall not have the right to vote at meetings of the Board and shall not be counted for purposes of determining whether a quorum exists. The Chairman of the COMEX Governors Committee may address the Board in the same manner and subject to the same restrictions as apply to members of the Board. Inadvertent failure or inability to notify the Chairman of a meeting shall not affect the validity of any action taken at the meeting in his or their absence. The Chairman of the COMEX Governors Committee may, by action of the Board, be excluded from those portions of meetings of the Board (i) that relate exclusively to matters as to which the Board concludes, based on the advice of counsel, that the presence of the Chairman of the COMEX Governors Committee may result in the loss of a privilege against disclosure which otherwise would be available, or (ii) during which the Board of Directors considers actual or potential litigation brought by the

Section 310. QUORUM

A majority of the entire Board shall constitute a quorum. A majority of Directors present, whether or not a quorum exists, may adjourn any meeting to another time or place. Unless specifically provided otherwise in the By-Laws or any applicable law, any action taken by a vote of a majority of the Directors present at a meeting at which there is a quorum shall be the act of the Board.

Section 311. ACTION BY CONSENT

Any action required or permitted to be taken by the Board may be taken without a meeting if all of the Directors consent in writing to the adoption of a resolution authorizing such action. The resolution and the written consents of the Directors shall be filed with the minutes of the proceedings of the Board.

Section 312. TELEPHONE PARTICIPATION

One or more Directors may participate in a meeting of the Board by means of conference telephone or similar communications devices allowing all persons participating at the meeting to hear each other, at the same time. Such participation shall constitute presence in person at the meeting.

Section 313. [RESERVED]

The Board shall have the authority to make rules governing its own conduct and proceedings.

Sections 315-349. [RESERVED]

Section 350. OFFICERS

The Board may appoint one or more Vice Presidents, and may classify such Vice Presidents, and may appoint such other officers as the Board may determine. The officers of the Exchange (other than the Chairman, the Vice Chairman and the Treasurer) shall not be members of the Exchange nor, except in the case of the Chairman, the Vice Chairman of the Board and the Treasurer, need such officers be Directors. The officers shall have such powers and authority as may be specifically established by the Board.

Sections 351-359. [RESERVED]

Section 360. INDEMNIFICATION OF DIRECTORS, OFFICERS AND EMPLOYEES

(A) The COMEX Division shall indemnify to the maximum extent provided by law including, but not limited to, indemnification for judgments, fines, amounts paid in settlement, and reasonable expenses, including attorney's fees, any person made or threatened to be made a party to any action or proceeding, whether civil, criminal or administrative, by reason of the fact that such person, such person's testator or intestate is or was an officer, director, employee, member of any committee of the COMEX Division (including, without limitation, a member of the COMEX Division Governors Committee or a member of any regular committee or special committee) or served at the request of the COMEX Division in any capacity with any other corporation, any partnership, joint venture, trust, employee benefit plan, or other enterprise ("Covered Person"). In addition, the COMEX Division shall upon tender of an invoice, pay, to the maximum extent provided by law, the reasonable expenses (including reasonable attorney's fees and costs of counsel selected by the COMEX Division and reasonably satisfactory to the Covered Person, except that the COMEX Division may not exercise this right if the COMEX Division, NYMEX or any parent of NYMEX is the adverse party in the claim against the Covered Person) of defending any claim against a Covered Person as to which this Section 360(a) applies, pursuant to the requirements of NPCL Sections 723(c) and 725(a). Unless required to do so in order to comply with applicable law, the COMEX Division will not take any action under NPCL Section 725(b)(2), as such section exists on the effective date of this By-Law, which is inconsistent with this Section.

(B) Except as specifically permitted by applicable law, no person who is or was an officer, director, employee or member of any committee of the COMEX Division shall be indemnified in any way if such person has brought the action or proceeding against the COMEX Division, its officers, directors, employees or any member of any committee of the COMEX Division.

(C) A Regular Committee shall have such powers as may be delegated to it in the By-Laws or Rules or by the Board; *provided, however*, that such powers shall in no case exceed the powers that the Board may delegate lawfully to an officer of COMEX Division.

(D) All Committees shall have all powers necessary and incident to the discharge of their duties.

(E) At least two COMEX members shall be entitled to serve on each COMEX advisory committee regarding COMEX Division contracts.

The Facilities Committee subcommittee relating to the COMEX Division will be responsible for initiating any changes to COMEX Division facilities; provided, however, that such changes will be submitted to NYMEX for its approval. (C) A Regular Committee shall be composed of such persons as the Chairman of the Board with the consent of the Board shall appoint; or, as the members may elect as provided in the By-Laws or Rules.

(D) Except as otherwise provided in the By-Laws or Rules, the Chairman of the Board shall appoint a Chairman of each committee and may appoint such vice chairman of any committee as he deems desirable.

Section 404. TERM OF COMMITTEES

Unless otherwise specifically provided in the By-Laws or Rules, members of any committee shall hold office until the first meeting of the Board following the annual meeting of members and until their successors are appointed.

New York, N.Y., September 21, 2006 — NYMEX Holdings, Inc. announced today that, along with its exchange subsidiaries New York Mercantile Exchange, Inc. and Commodity Exchange, Inc., it has signed a transaction agreement with the COMEX Governors Committee regarding the COMEX Division member rights, including electronic trading rights.

In exchange for the termination of the COMEX Merger Agreement that NYMEX and COMEX entered into in 1994, each COMEX member will receive 8,400 shares of NYMEX common stock for each COMEX seat owned by such member, certain trading rights protections, and, as they were previously entitled under the COMEX Merger Agreement, a payment of \$10 million, in the aggregate, from the proceeds of an initial public offering of NYMEX.

Completion of the transaction will entitle NYMEX to list all COMEX contracts and new metals contracts electronically for overnight and side-by-side trading. In addition, metals contracts may be listed for clearing on the NYMEX ClearPort[®] platform, and NYMEX will have the right to make electronic trading privileges available to third parties.

The transaction between NYMEX and COMEX is subject to a number of conditions, including COMEX member approval, NYMEX shareholder approval, and applicable regulatory approvals. As a result, there can be no assurance, of when, or if, this transaction will be completed.

This announcement shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state.
